WATCHING YOU '84
Moreau is an experience of learning and growing with others. By watching we learn and absorb, which furthers our knowledge. We have seen the community expand and change. Each year a new class comes, bringing with them a diversity of people and personalities. Classes every year have come and gone. Much like the way a mother watches over a child, we watch over each other because we care. We feel that the theme we selected, "Watching You," applies to the time we spend at Moreau.
When you and I view the pages of this yearbook, we will remember a special time in our lives. We will reminisce over the times, good and bad, that we shared. Most of all we will recollect the teachers, family, and friends who watched us along the way, providing knowledge, love and support to guide us. Remember that a picture paints a thousand words. The memories captured in each of the pictures should bring to mind that there was someone who was "Watching You."

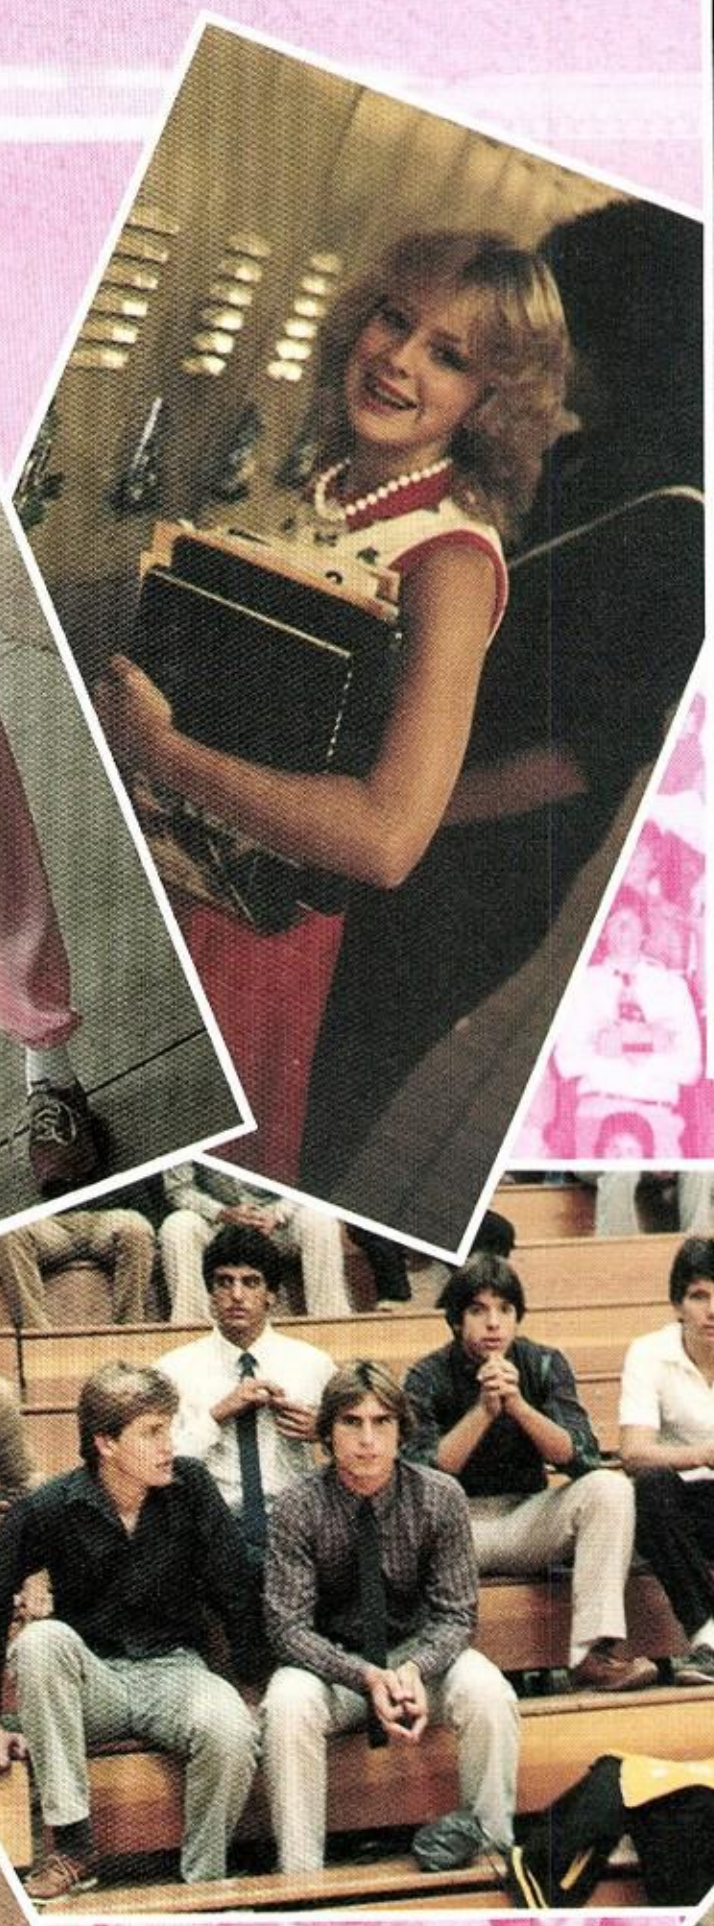
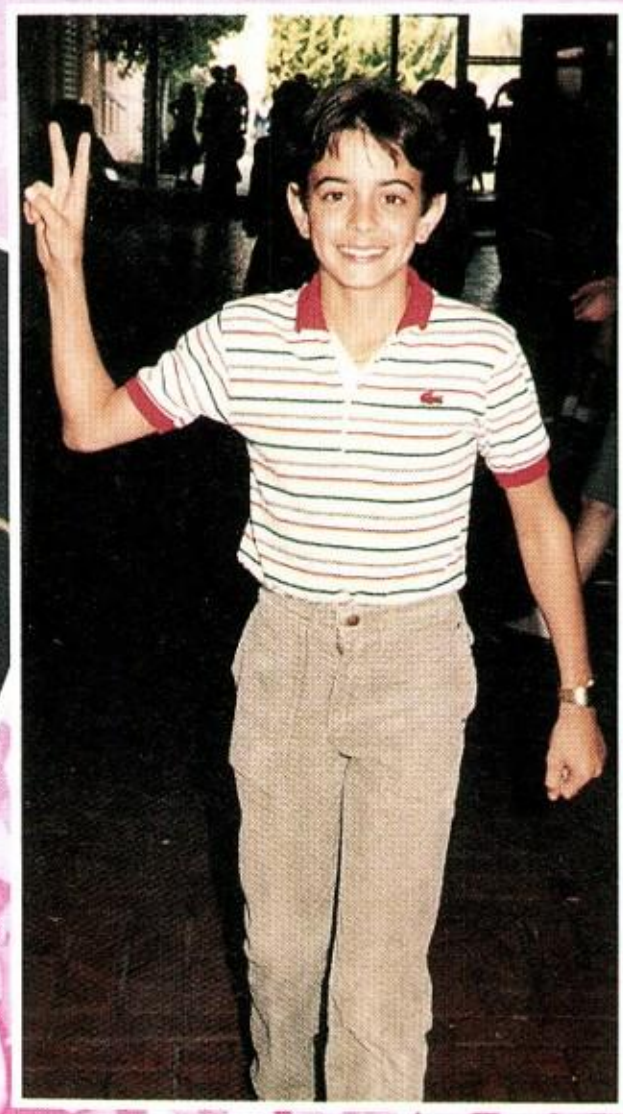
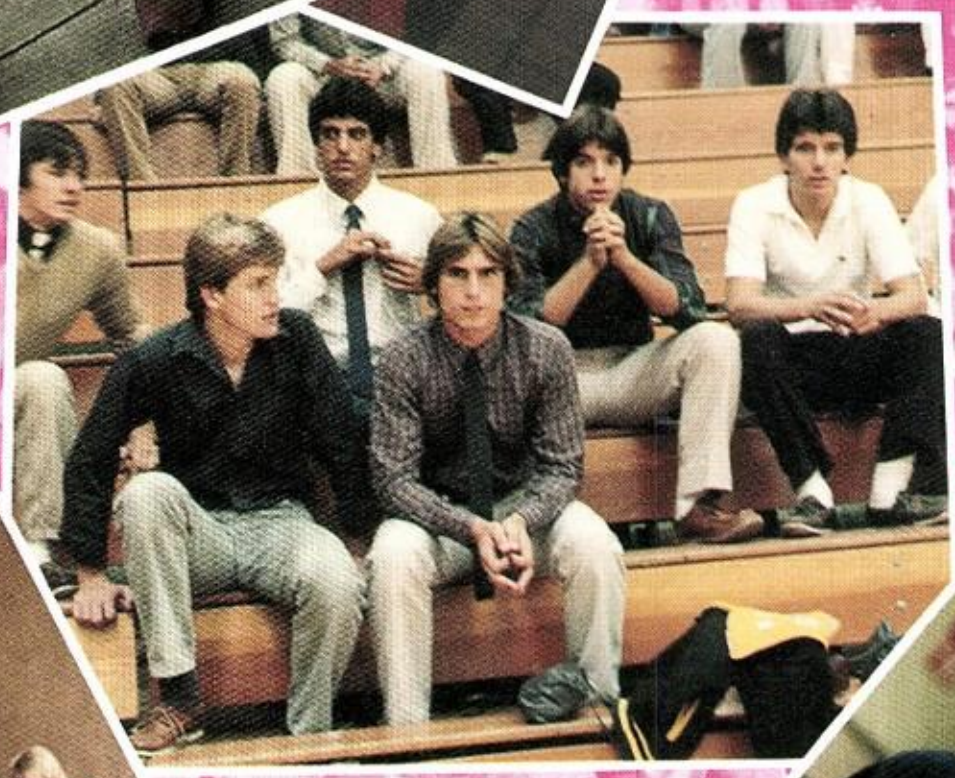
HOMECOMING

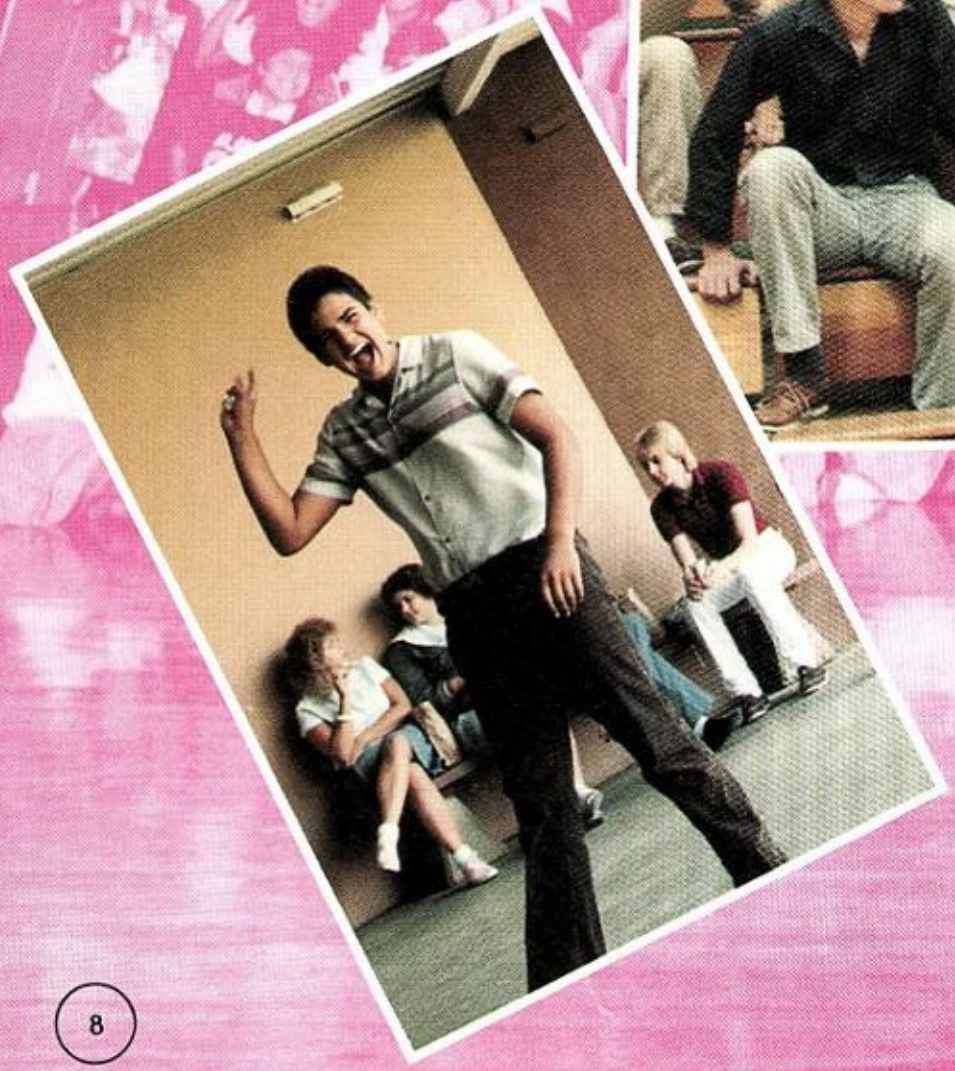
The Freshman class elected Nikki Leavitt as class princess. Nikki is the class secretary-treasurer and runs for cross-country. Her escort was Steve Libby. Steve was on the Freshman football team. Dixie Harrison, a cheerleader for two years, won Sophomore Princess. Tom McDermott was her escort. Representing the Junior class was Stephanie Mendoza. Stephanie has been involved with student government for two years and has played girls basketball and baseball. Escorting her was Paul Hormel, Junior class Representative. Senior class Vice-President, Maggie Aguilar was honoured as one of the Senior Princesses. Maggie was Junior class Secretary-Treasurer. Senior spirit coordinator, Gordon Furlong escorted Maggie. Gordon has played soccer since freshman year. Jill Pickard, Senior class President was chosen as the other Senior Princess. Jill was Junior class President and has participated in girls basketball and cross-country. A.S.B. Senate Leader, Jim Santiago escorted Jill, Jim too ran for cross-country and was a representative junior year. Finally, representing all of Moreau as 1983 Homecoming Queen is A.S.B. Vice-President, Heidi Wixson. Heidi was a Junior class Representative and has been a cheerleader all four years. The 1983 Homecoming King was Pat Downs. Pat has been a football player since freshman year.

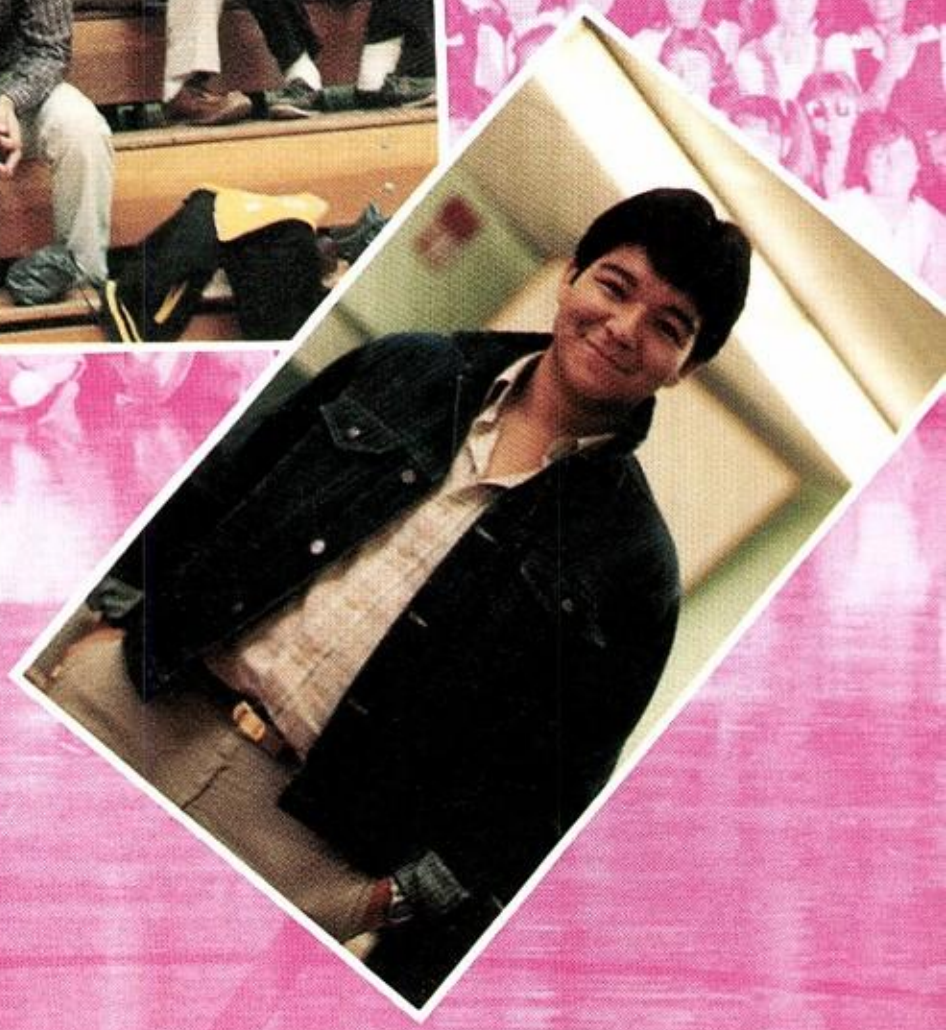
(1) Junior Princess Stephanie Mendoza and her escort Paul Hormel enjoy the Homecoming game. (2) Senior Princess Jill Pickard clings to her escort Jim Santiago. (3) Senior Princess Maggie Aguilar reclines at the Homecoming dance with her escort Gordon Furlong. (4) Freshman Princess Nikki Leavitt and her escort Steve Libby. (5) Sophomore Princess Dixie Harrison and her escort Tom McDermott shiver in the cold. (6) While Homecoming King, Pat Downs plays the game of his life, Mr. Wixson beams as his daughter, Heidi, becomes Homecoming Queen. (7) The King and Queen!! (8) Pat Downs and Heidi Wixson dance cheek to chest. (9) Senior Princess Jill Pickard glows as her escort Jim Santiago wisks her away to the dance floor. (10) Maggie Aguilar and Gordon Furlong mug for the camera.

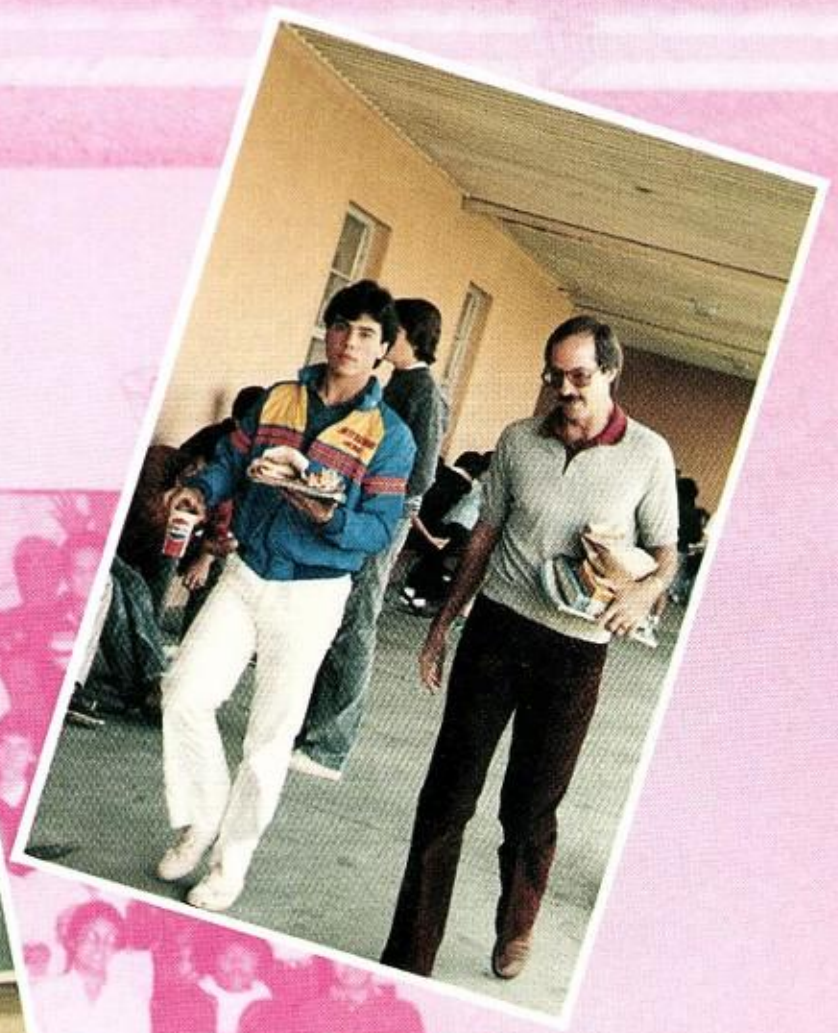


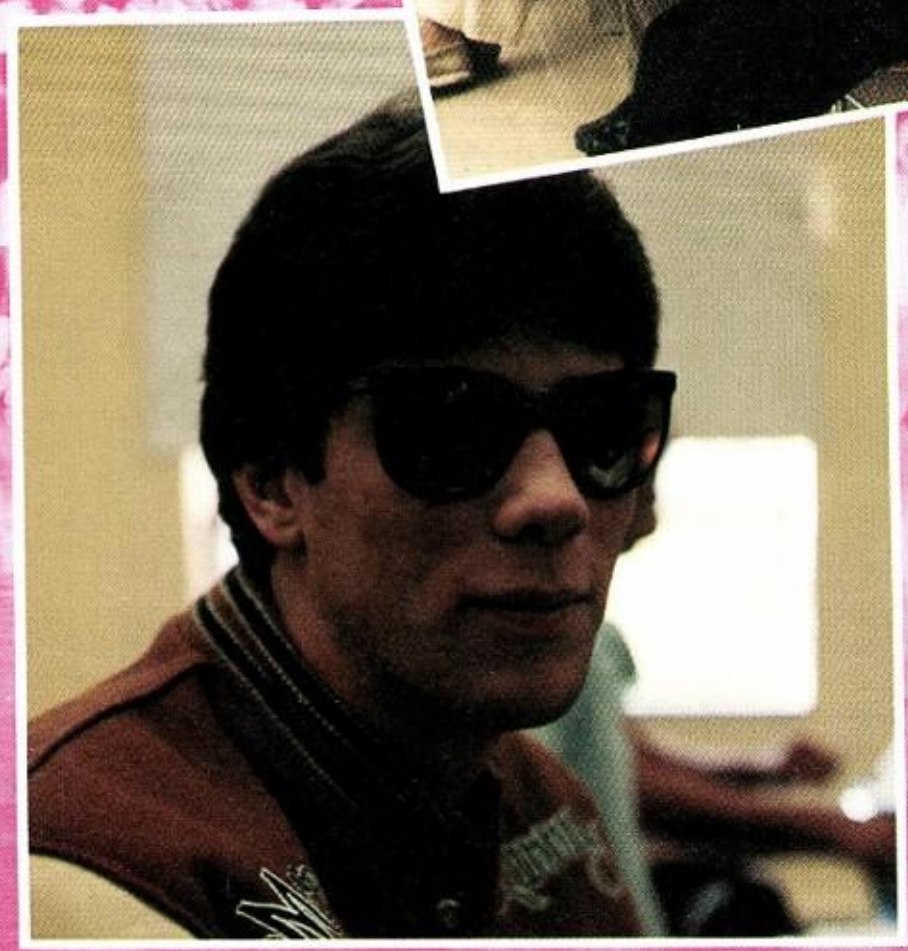


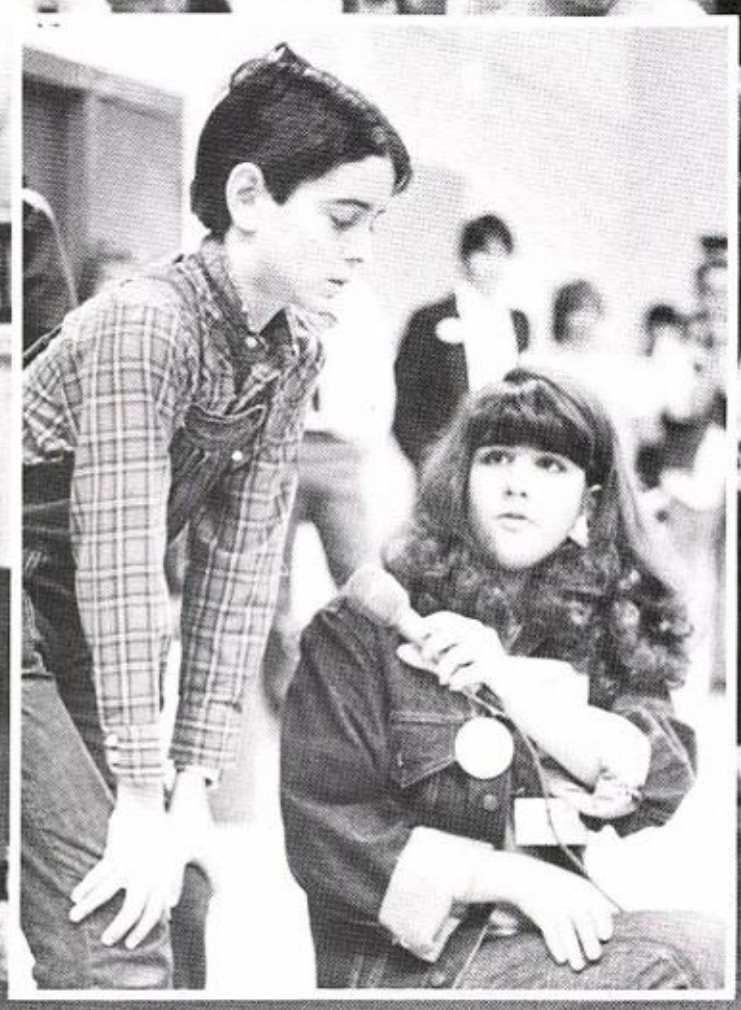




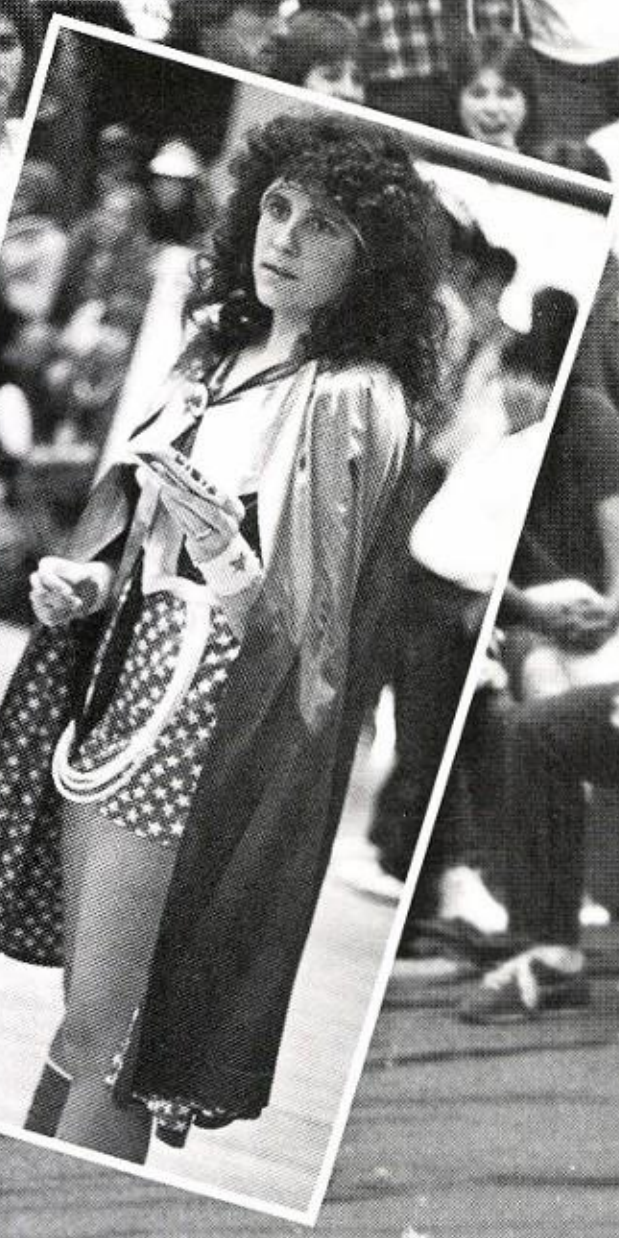


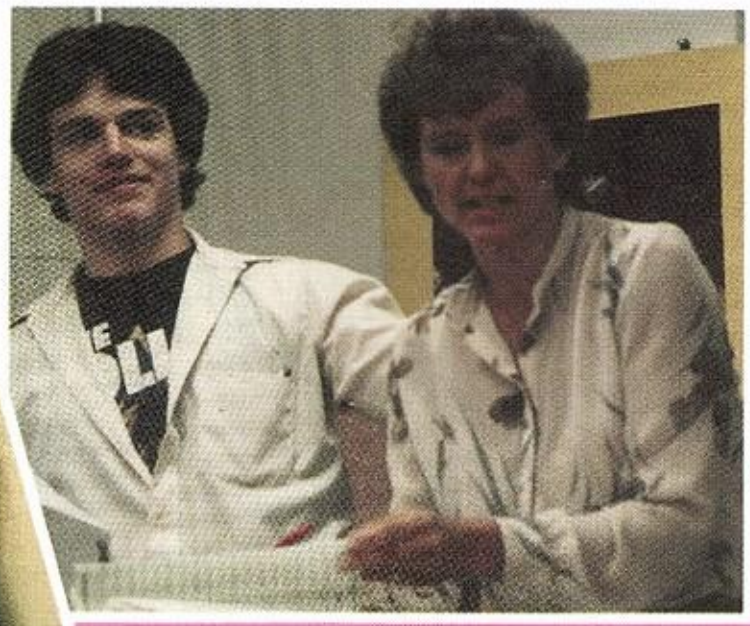


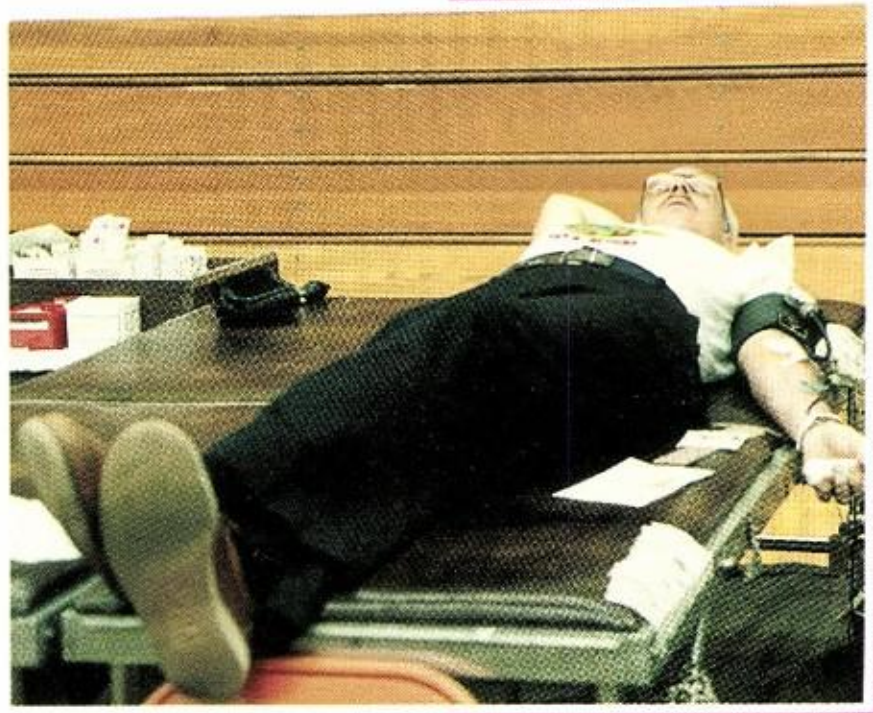


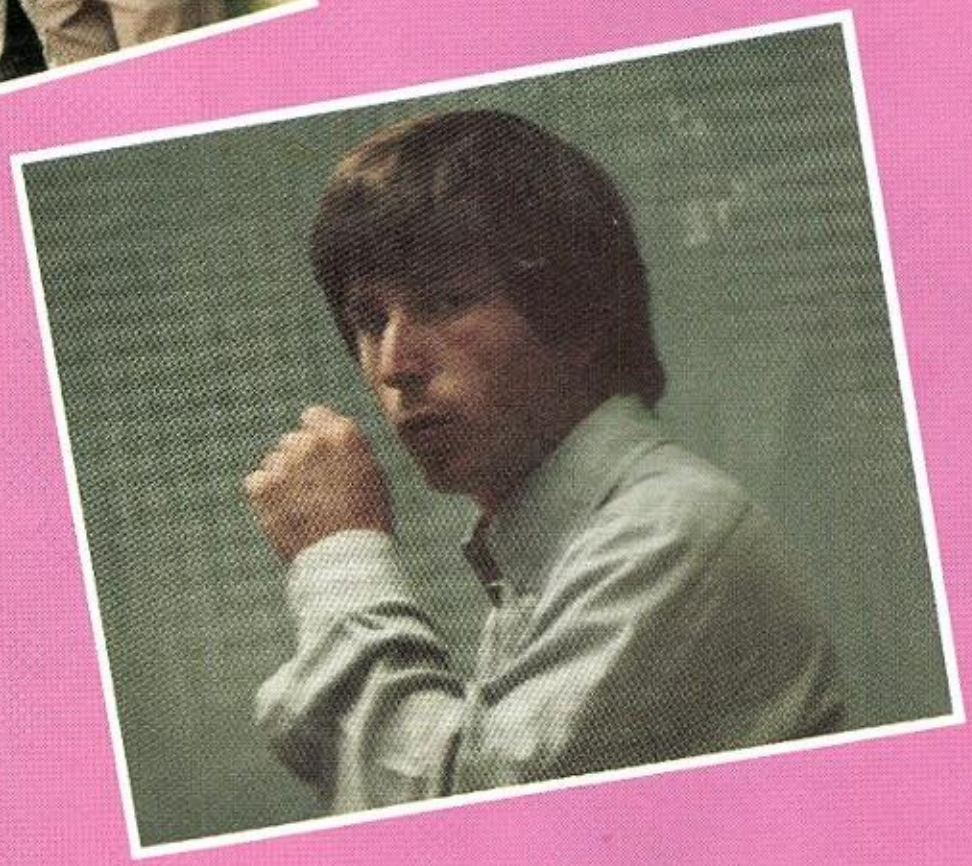


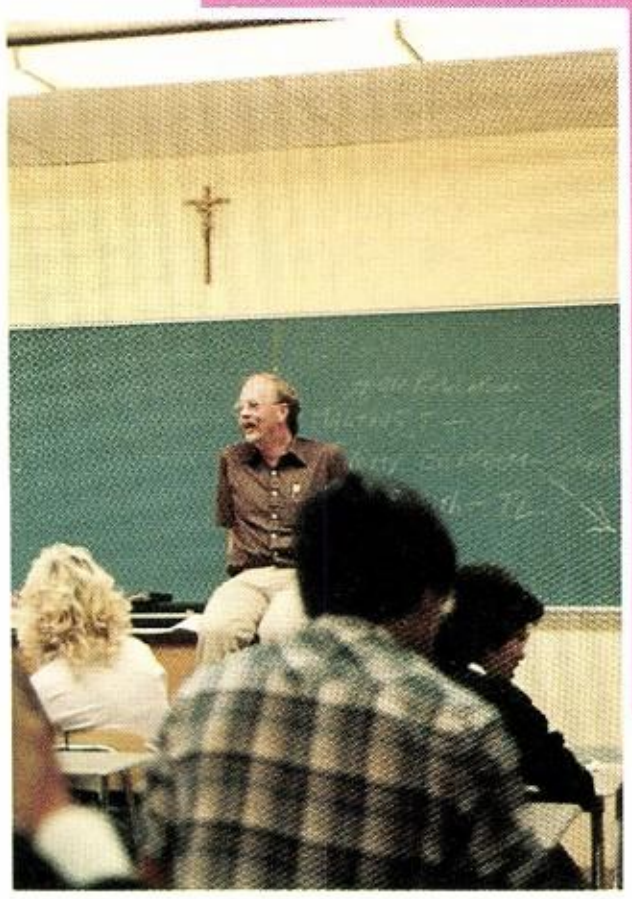
SPIRIT WEEK

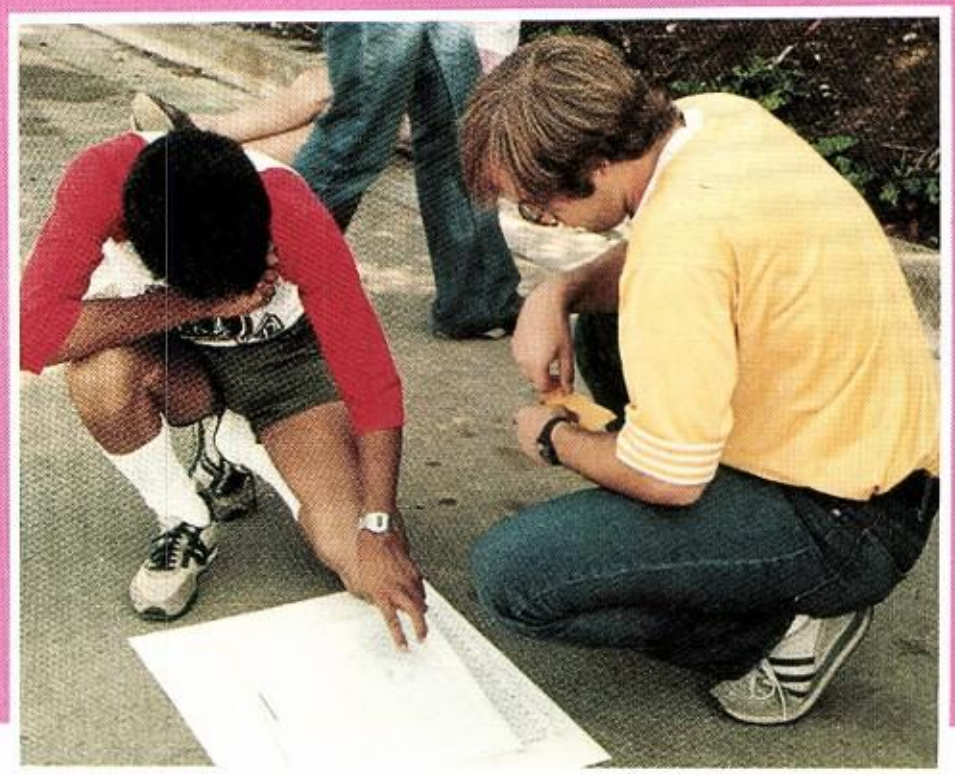


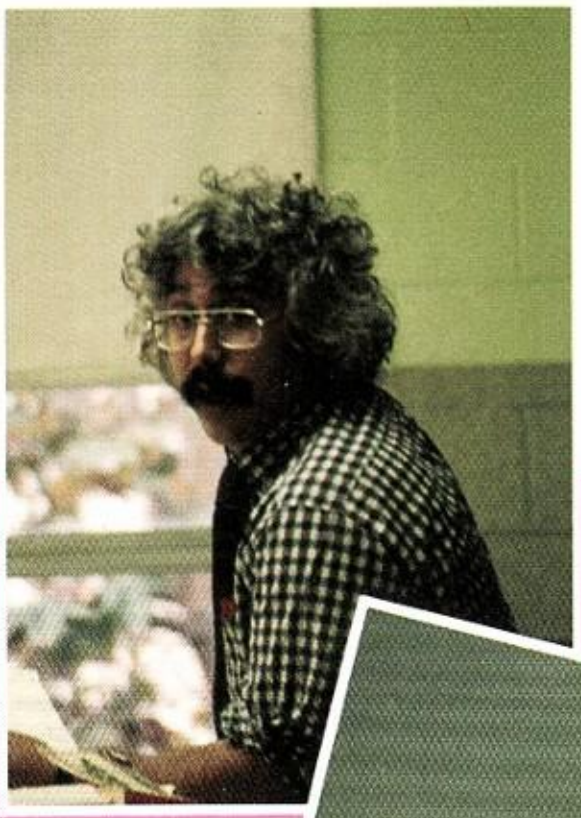


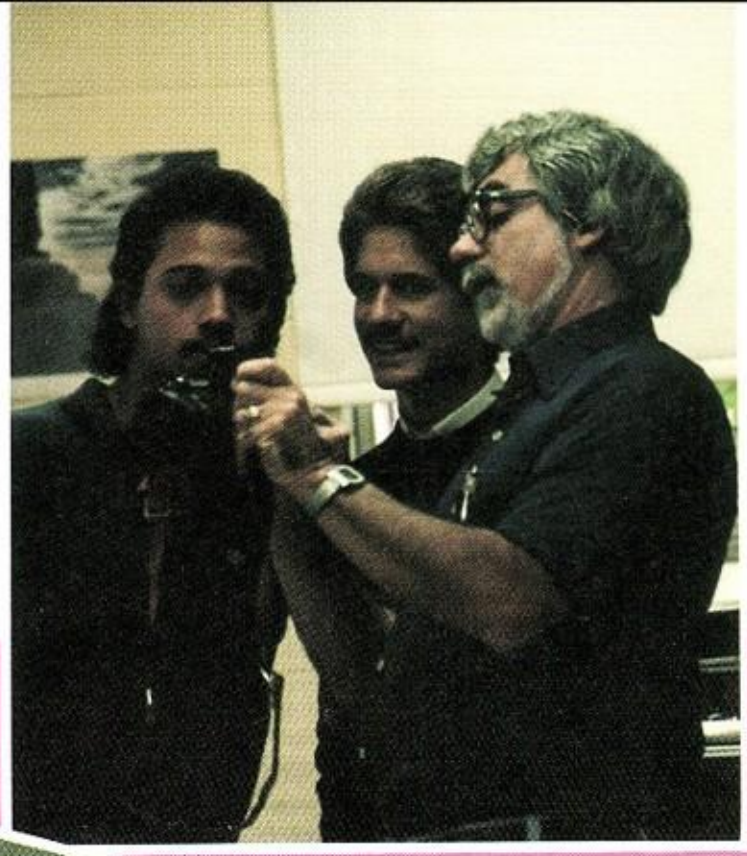


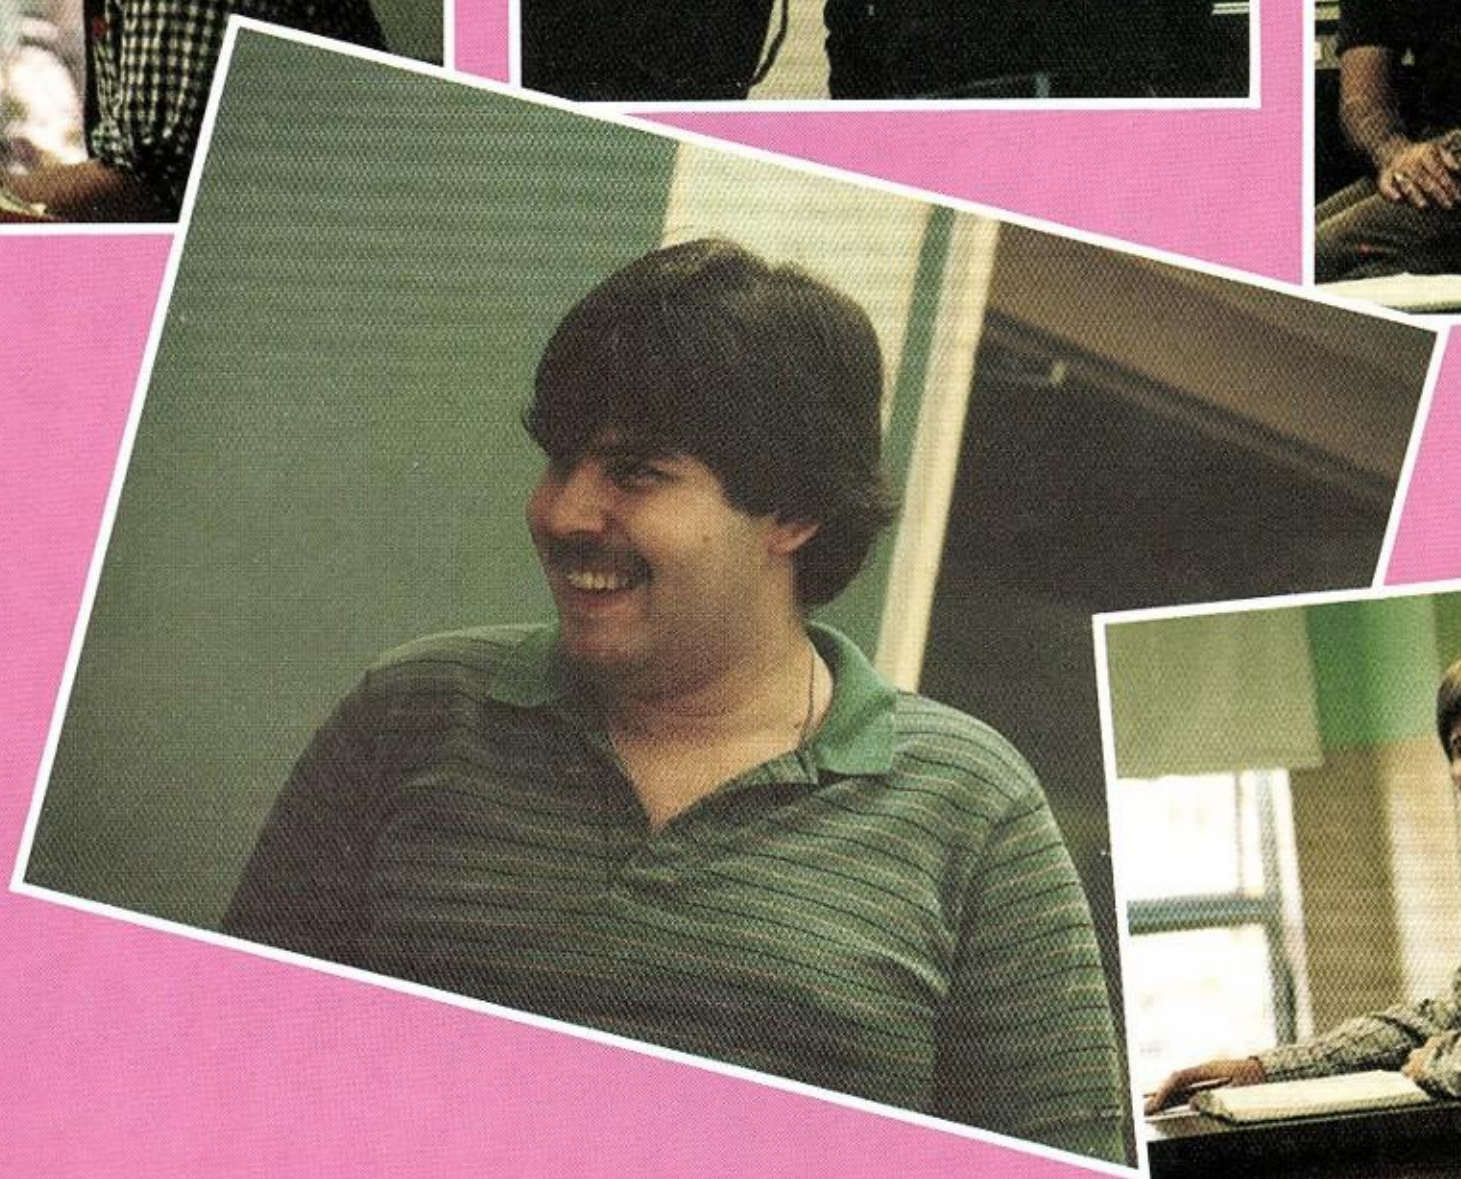


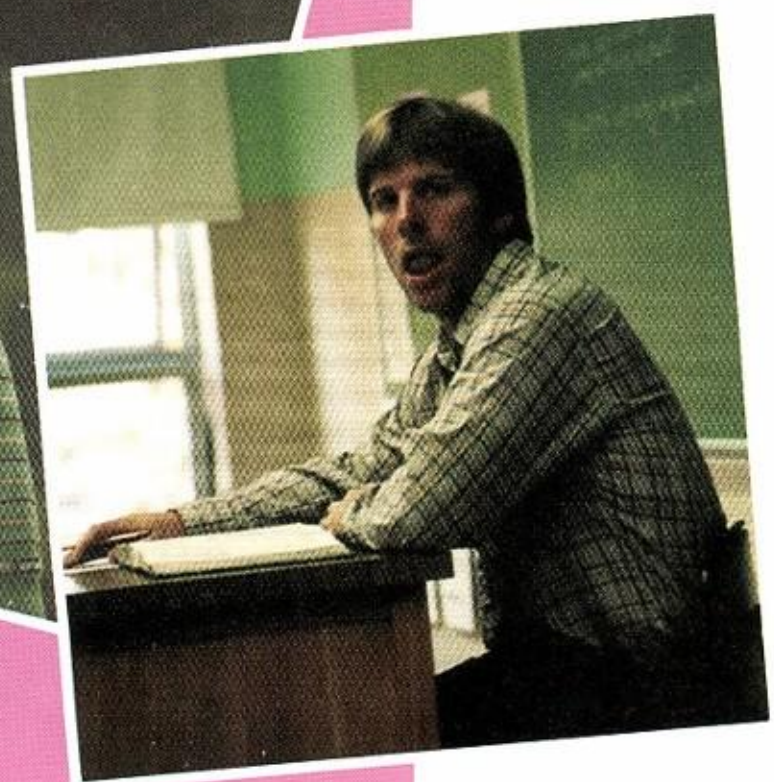


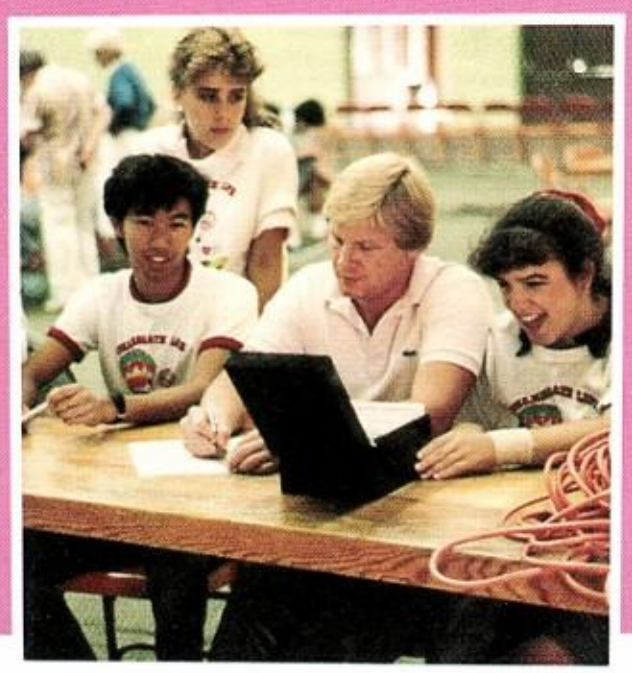












(1) Senior crowd goes radical at Spirit Week rally. (2) Juniors show pride in Moreau by displaying football player in Spirit Week hall. (3) Juniors show enthusiasm in rally.

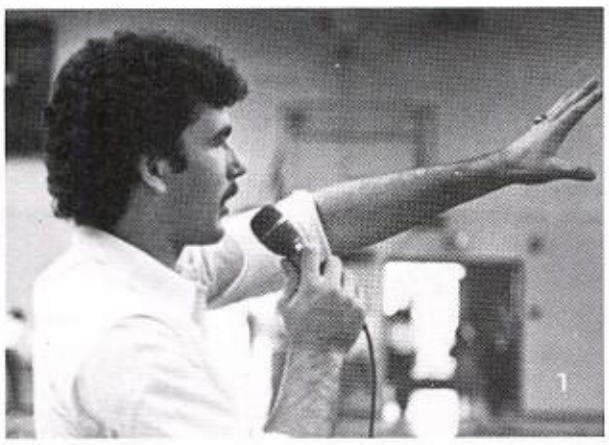
MOREAU SPIRIT, HIGHER THAN EVER

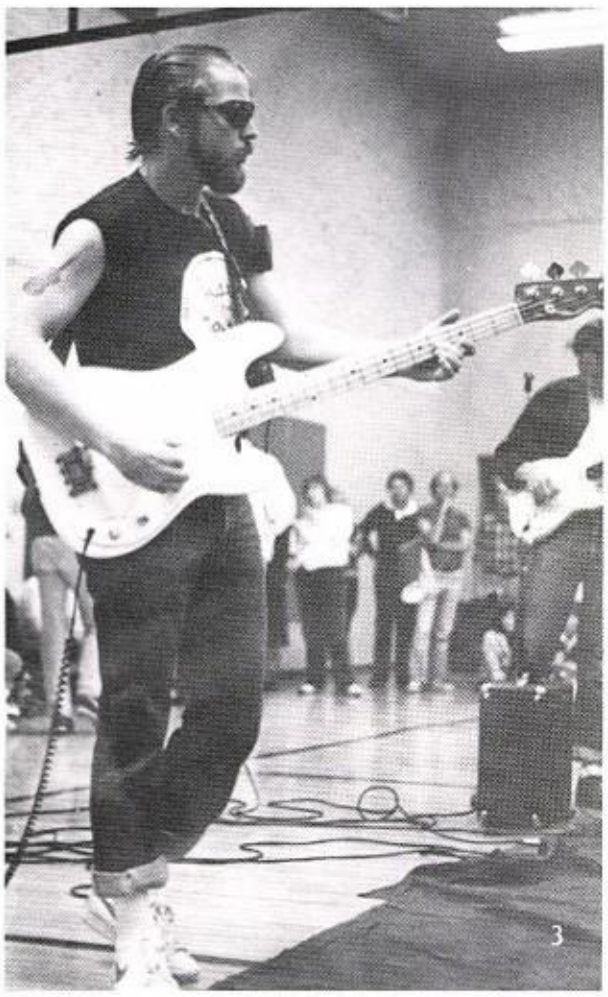
Entertainment was the theme for the class of 1987 during Spirit Week. The hall decorations included stars and large, flashy signs indicating that you were in Hollywood when you strolled through Freshman hall. The Freshmen put up a good fight but ended up fourth overall.

The Sophomores did a good job with their hall decorations, which included trapezes representing their theme of Sophomore Circus. The Sophomores tied with the Freshmen for third place on game day and third place over the freshmen in the overall competion.

Juniors spiced things up by winning game day and gave the Seniors a run for their money. The theme of Junior Holidays gave the Juniors quite a variety of dress-up possibilities and certainly added many different moods to their hall decorations. The Juniors won dance attendance but still came in second place behind the Senior class.

Superfriends proved to be just that-super for the class of 1984. The Seniors dominated Spirit Week by winning skit, dress-up, penny jugs, and hall competition. Super Seniors win the Spirit Stick again!





(1) Senior Shannon Rodrigues leads Spirit Week rally. (2) ASB displays their talent in skit. (3) Mr. Ingram rocks the gym back to the 50's by playing "Why must I be a teenager in love." (4) Gordon Furlong shows how difficult games can be. (5) Debbie Soto is ready for the rainy season. (6) Sophomore flies with greatest of ease in hall decorations.

HARVEY!!

Moreau's 1983 Fall Drama production was Harvey, a comedy by Mary Chase. Set in the 1940's, Harvey is centered around Elwood P Dowd, a man with a 6 foot plus invisible rabbit, Harvey, as a friend. Elwood lives with his sister, Veta Louise Simmons, and he daughter, Myrtle Mae Simmons, both of whom would like to send him to the sanitarium to end their embarassment.

Veta goes over the Chumley's Rest, the local sanitarium, to have Elwood committed. There is a misunderstanding, however, and Vet ends up committed instead. Everything gets more confusing from that point, but ends happily, with Elwood, Veta, Myrtle, and Harve all going home to live peacefully, maybe.

Directed by **Mrs. Catie Laufer** and student director **Mja Shandera,** Harvey production began in October, and, after much har work by both cast and crew, Harvey opened for the first of its five performances on December 2. There were only a few mino problems, such as the opening night run-on appearance by **"That Black Cat,"** demanding recognition for his first year at Moreau

After each performance, most of Harvey's cast and crew would go out together to relax and unwind. They would gather for parties a homes of cast members, or go to public places such as Farrell's, making heads turn while still wearing stage make-up.

Enthusiasm for Harvey prompted **Mrs. Laufer** to form a Drama Club for those wanting to learn more about and get involved i various aspects of theatre.

Band Goes Through Changes

This year has been a very difficult year for the Mariner Band and Color Guard, partly because of the change in directors and the loss of many principal players. In the wake of **Gary Gilroy,** the former director who helped develop the band and guard into a respectable musical group over the past four years, newcomer **Donald Moore** tried to hold the band in its traditional placing in the top four bands in the state, but was finally replaced by the more successful **Daniel McCrossen,** a graduate of the class of 1983, who was the director for the last two weeks before the band's final competition the Music Bowl.

Under the miracle-working of **Daniel McCrossen,** drum major **Margaret Stevens,** drum instructor **Scott Johnson** and color guard instructor **John Moroney,** the band and guard were given solid leadership and instruction and managed to place eighth out of 23 at the Clovis Band competitions. Playing at a rainy and muddy Music Bowl at Logan High School in Union City, the band made finals finishing ahead of several bands that were formerly placing ahead of the Mariners at the beginning of the season. Although credit is due to the instructors, much of the credit is due to the members of the band and guard, who despite all odds managed to overcome the overwhelming obstacles that faced them at the beginning of the season.

Other leaders include drum line leader **Mike Pangelinan,** color guard captain **Annette Mergel** and Assistant director **Patrick Mester.** (Glenn)

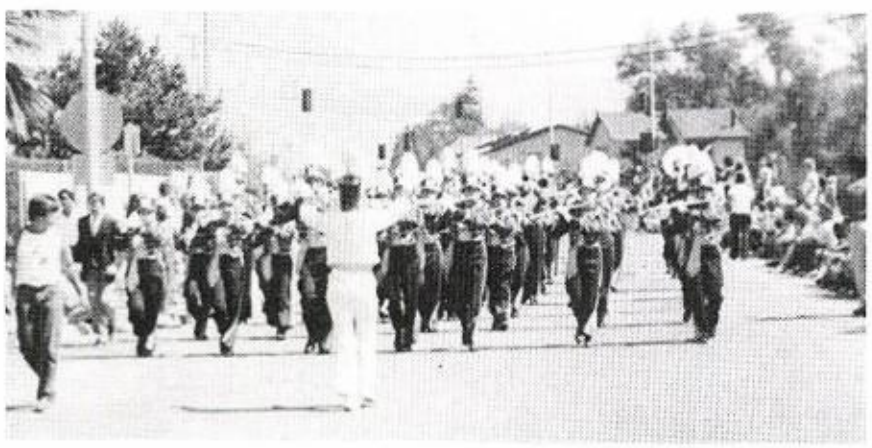
1) At an overnight band camp, **Johna Escobar** makes sure that **Beth Johnson** marches right, while **Dori Tehada** stands at attention. 2) Much of the work put into this year's field show was handled by assistant director **Patrick Mester.** 3) **Chris Newcomb** prepares to lead the color guard through some moves. 4) Some Mariner band seniors pose for a picture. 5) Bass drummers **Shelley Johnson, Denise Quintana,** and **Craig Dunlap** put in some practice. 6) The Mariner band steps-off at the St. Anne's parade in Union City. (Glenn)



Music Moves Indoors

The Symphonic band has also experienced a change in leadership. Under the new leadership of director **Dale Wolford** and returning assistant director **Patrick Mester,** a Winter Pops concert in February and a Champagne concert in March were held, featuring both the symphonic band and the jazz band. The band also attended numerous C.M.E.A. festivals where they were judged both in the areas of concert performance and sight reading. Selections played this year included "Selections from E.T.," "The Music Man," and "Grand Seranade for Woodwinds and Percussion." (Glenn)

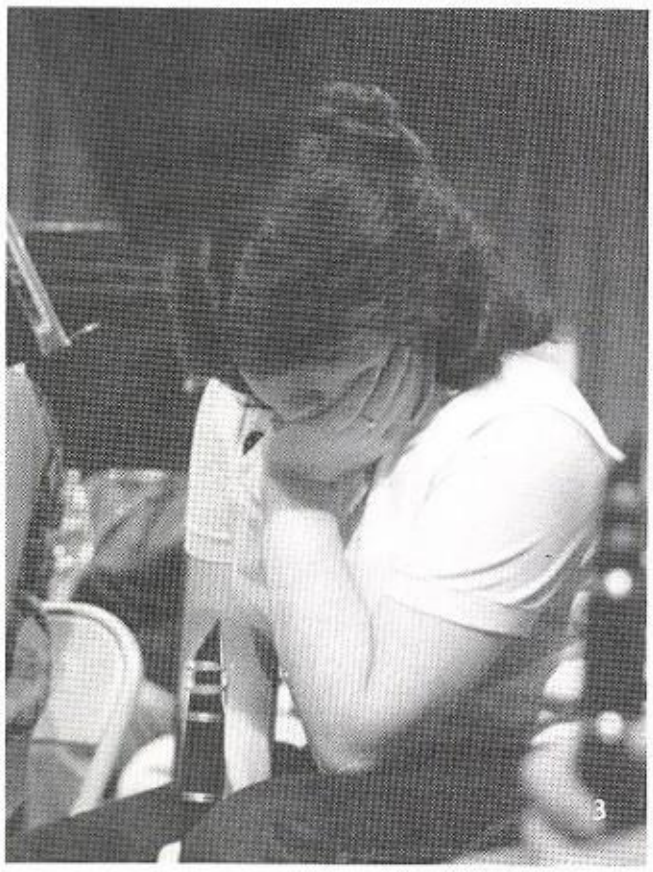
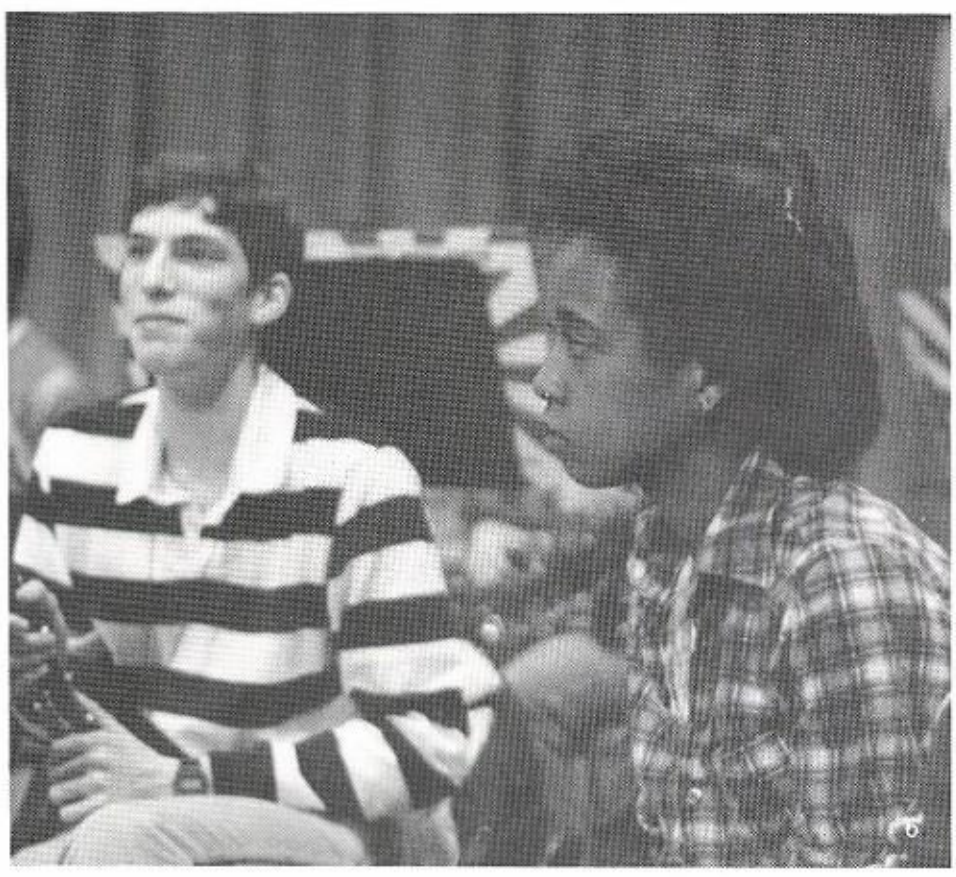
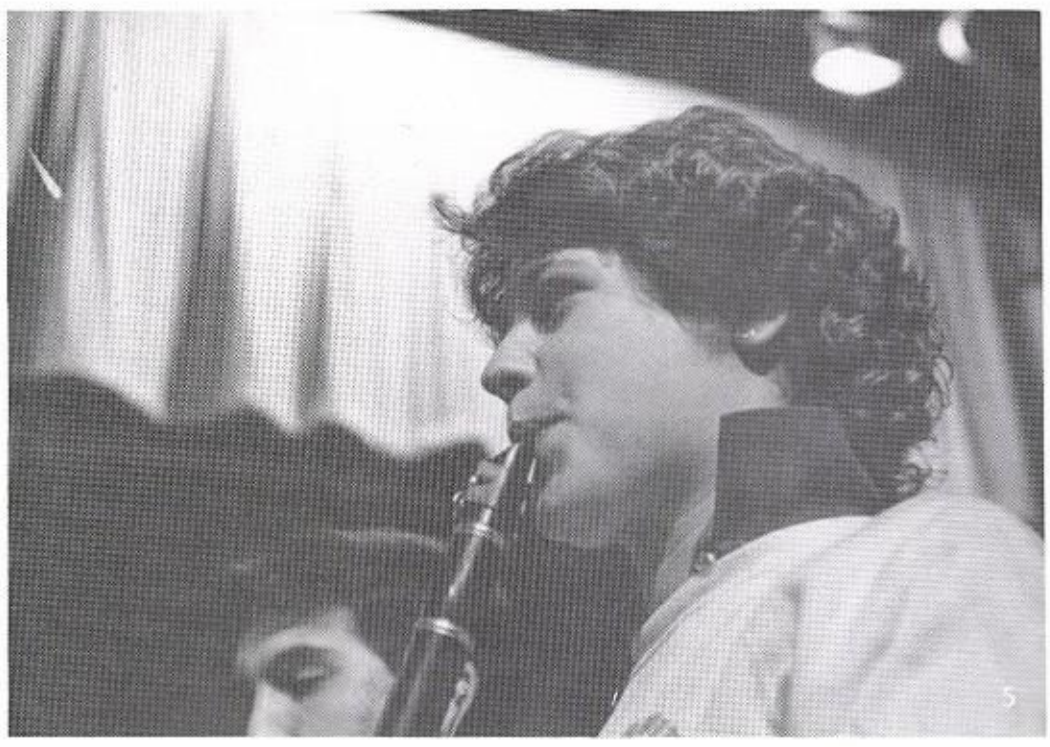
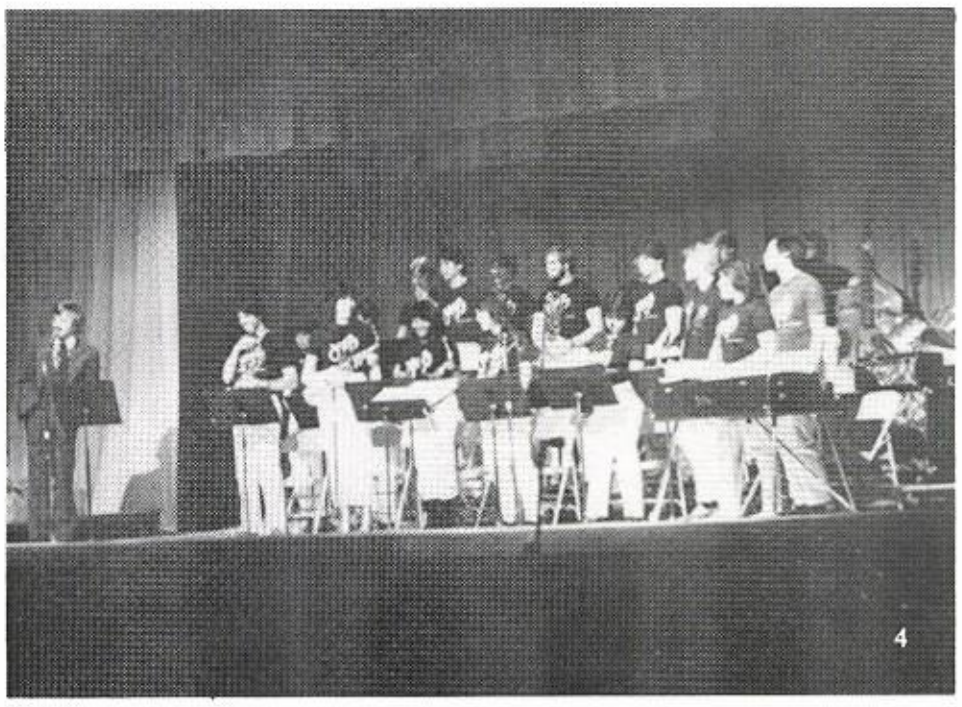
1) Along with talent, a sense of humor is also needed to play the saxophone, as **Sharon Villarreal** demonstrates. 2) The excitement of rehearsing seems to be too much for **Mike Hudgins** to handle. 3) Lack of sleep has gotten to **Johna Escobar.** 4) The low brass line shows their stuff. 5) **Margaret Stevens** plays with confidence. 6) **Mignon Jackson** sits in a daze. (Glenn)







1) Assistant director **Patrick Mester** helps out on his horn. 2) **John Bliss** takes-off on a solo during the Winter Pops concert. 3) The trumpet line manages to play well despite the early morning rehearsal. 4) The jazz band takes a bow during the Winter Pops concert. **(Glenn)**



Jazzy!

This year, the Jazz Band has remained largely the same. Under the direction of **Dale Wolford,** the group consists of twenty-one musicians that meet everyday at 7:30 in the morning to rehearse. The Jazz Band is mainly composed of musicians drawn from the larger symphonic/marching band and the color guard. Besides performing at the various concerts with the symphonic band, the Jazz Band performed as a pep band during the Girls' Varsity Basketball Team's victorious playoffs with Bishop D'Dowd. The Jazz Band repertoire included "Matchpoint", "Birdland", "Bad Burn in Poteau", "My Heart Belongs to Me", and "Conquerors", a piece composed by senior **John Bliss.**

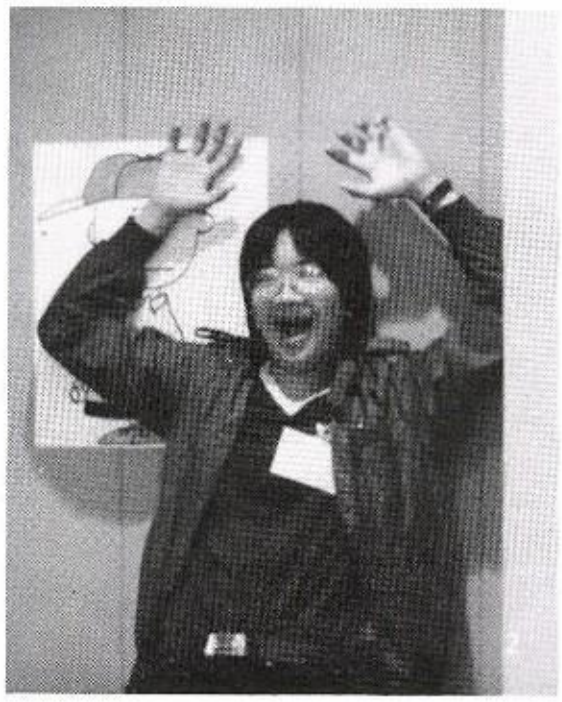
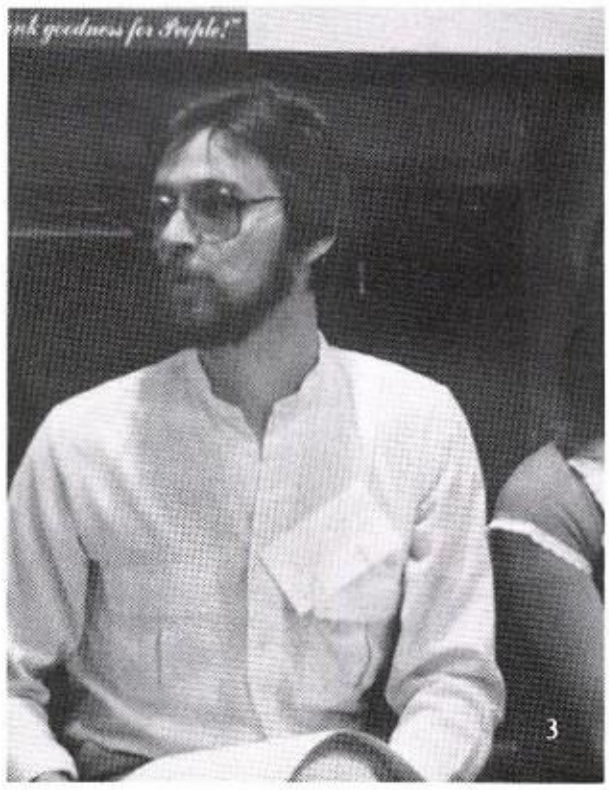
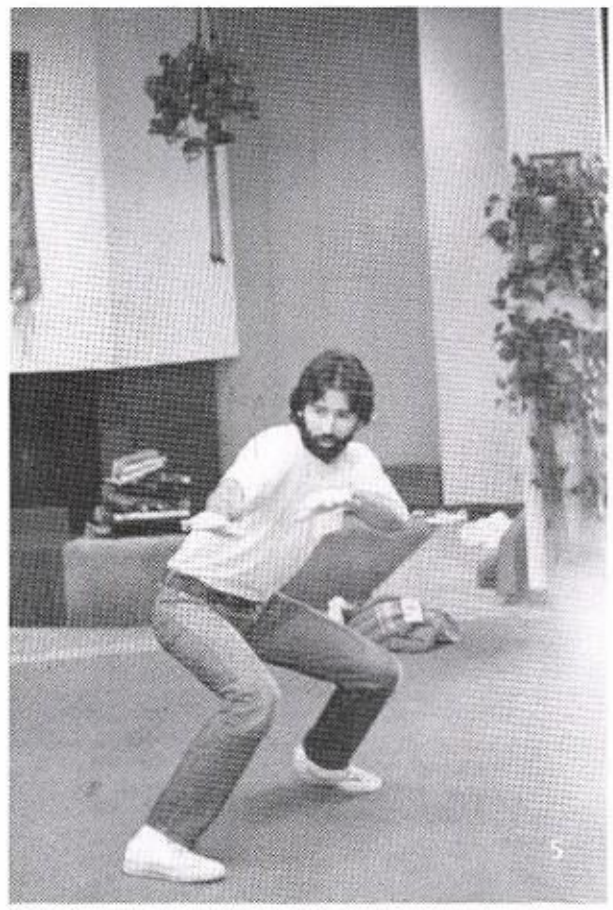
(5) **Mr. Mikula** demonstrates his expert karate moves.







Campus Ministry

"We want to present Christian Unity as a life-changing relationship with God. We hope to give more than the academic side of religion," says Campus Ministry Director **Wally Mikula.** He became director after **Michael Schweickert-Stary** assumed leadership of the Christian Community Service Program.

Also involved were Juniors **David Villarreal** and **Denean D'Angelo,** and Seniors **Saul Rodriguez** and **Tracey Telles.**

The team planned at least two or three activities each month. These included retreats, all-school masses, the Thanksgiving Food Drive, the Christmas Gift Drive, and the weekly Mission Collections.

The Campus Ministry Team is already looking forward to next year and new activities. These activities include a "Break Away" program and the new Theology in Ministry class.

(1) **Judy Madge** and **Vanessa Crone** sing along with the group.
(2) **Saul Rodriguez** and **Denean D'Angelo** make plans for a retreat.
(3) **Saul Rodriguez** and **David Villarreal** watch over the group.

The ASB under the new direction and guidance of moderator, **Ms. Virginia Saenz,** designated "Breaking Away" as their theme for this year. This theme represented a goal in which the Council strived to serve the student body by breaking away from tradition and meeting new challenges and at the same time, setting and maintaining a standard of excellence.

"Commitment is what turns dreams into realities." And the Student Council which consisted of 47 officers worked together to achieve and succeed in the planning and organizing of "behind the scenes activities," such as the annual book days and freshman orientation program. ASB sponsored events included Spirit Week, Christmas Ball, Powder Puff Football, Blood Drives and other social activities. The Council sought individuals who normally do not get involved to participate in the activities.

The Leadership Class consisting of the ASB officers and some class officers also had the opportunity to meet and talk with the Principal, Bro. Joe, about upcoming activities and school issues which concerned the student body.

C.S.F.

During the 1983-84 school year, Moreau's chapter of the California Scholarship Federation had a total membership of 197 students, composed of 82 seniors, 55 juniors and 60 sophomores. Once again, the CSF members successfully spearheaded the tutoring program by contributing their intellectual abilities and time. The Chapter also sponsored two excellent field trips to Stanford University and U.C. Berkeley.

Interact

"Service above self" is Interact's motto. Interact is a medium between a social club and a service club. Although work is involved, there is fun for all as well.

Interact clubs all over the world sponsor festivals, dances, cookouts and other events to raise money for community projects. Every Interact club plans at least two projects each year - one to serve the school or immediate community and the other to advance international understanding.

Each Interact Club is self-governing and self-supporting, though it follows the by-laws of the international Interact constitution. Each club is sponsored by a rotary club, which provides advisors and works with others to whom the club has obligations involving school, organizations, and authorities.

Any student can be a member of the Moreau Interact Club. He or she will be recognized as a member once the $1.00 fee is paid and at least 80% attendance is maintained.

C.U. In D.C.

This year the Close-Up program was moderated by **Mr. Maxwell.** Though only a few attended, those who did had a valuable experience meeting new and interesting people and learning about our government. From their arrival on January 29 to their departure on February 4, the students were able to attend seminars and workshops designed to help them understand what goes on in our nation's capital. Some topics included a briefing on defense, international relations, the judiciary, and a campaign forum. Much time was spent being shuttled around on a bus going from seminar to lunch and to another seminar. On the last day, the students were able to do what they would like to do. They had six hours to cram in as many sights as they could. After all this free time, they were treated with a final banquet and a dance.

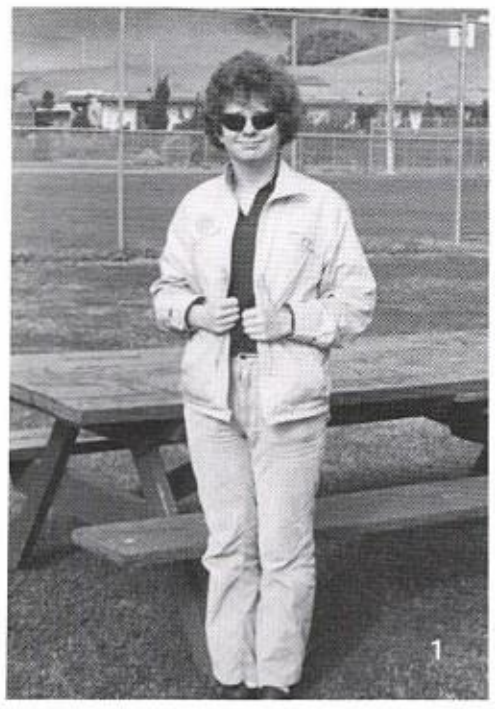
The Explorer

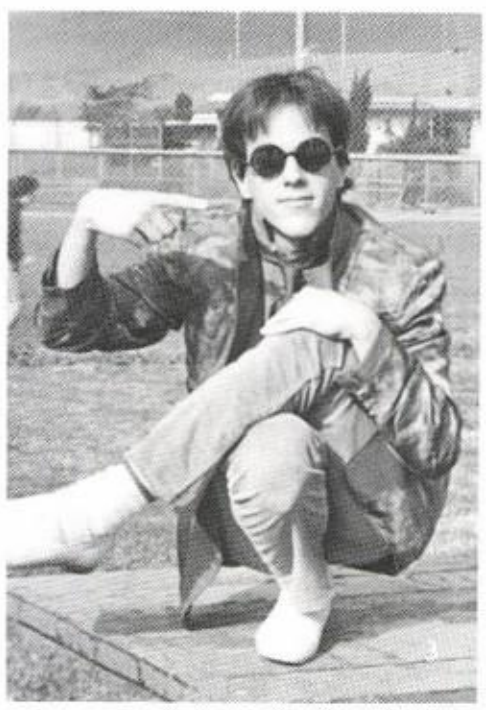
Mr. McEntee's Journalism class (no returning staff members) made up the 1984 Explorer staff. Six members of the class shared editorial responsibilities.

This year, changes were made in improving the physical appearance and the content of the newspaper. The school paper took the appearance of a commercial newspaper. Editor-in-chief **James Hoover** envisioned the paper's purpose as belonging to the whole school and not as the staff's paper.

In its implementation of this theme, the **Explorer** staff covered mostly school issues which were of great interest to the student body. In addition, the staff encouraged the student body to express their opinions by writing the Editor.

Another colorful aspect of the paper was the return of **The Shadow** with his fascinating insights and impressions of the Moreau Community.





We are all reflections of an unbounded universe. Our movements are the movements of stars and galaxies. Our aspirations are time, and our spirits sail the winds of enlightenment.

Park Bench Philosophers

Park Bench Philosophers is a new, interesting club which was founded by **Rick Vogel** and **Leonard Dandurand** to serve as an open forum for students' interests.

This club follows no conventional rules except for an established meeting day, time, and place (Wednesdays after school in Senior Park). It is an easy club to join (just show up at a meeting and you're a member). It is also very easy to belong to, because there is no mandatory attendance of meetings. There are no elected officers due to the club's motto that all club members are created equal. Another unique feature of this club is that the members do not disobey the first law which states that all french bread shall be cut with a knife!

Mrs. Krisman, the moderator, fully supported the club's purpose of bringing together students to discuss topics of interest and at the same time giving them the opportunity to speak and be heard.

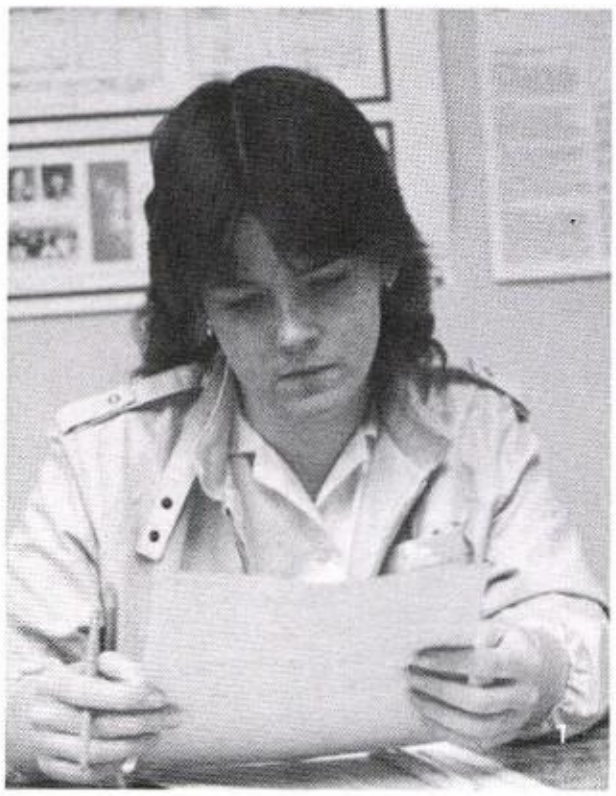
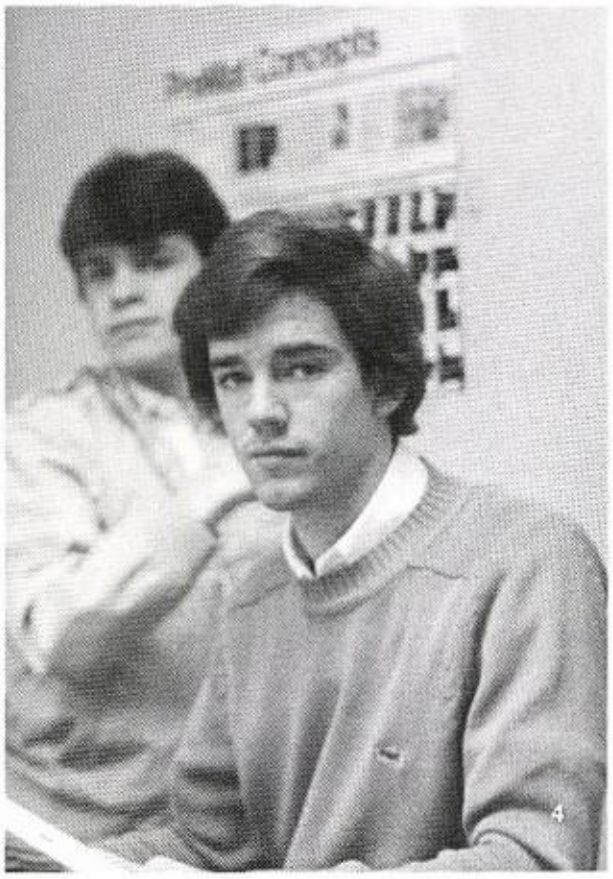
Voyager Staff

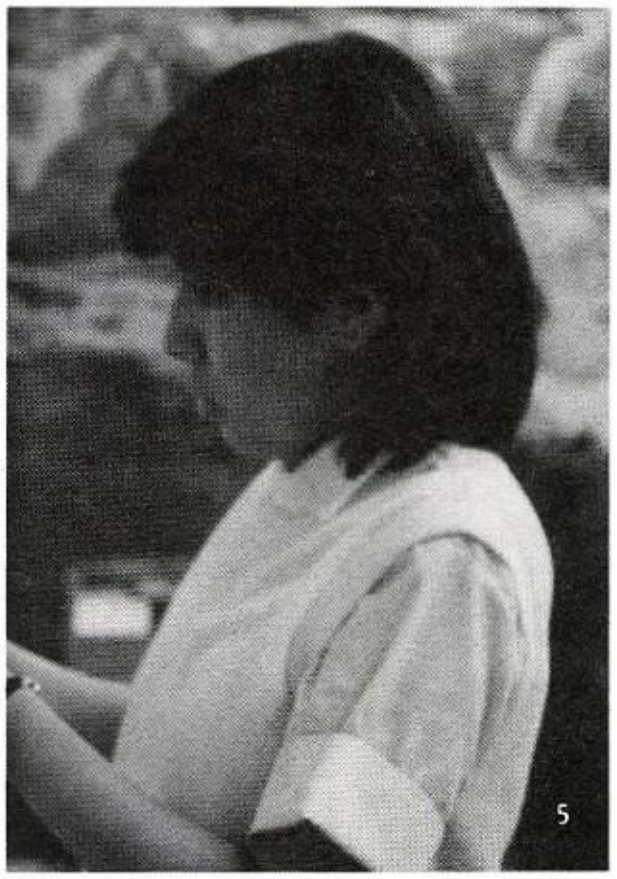
"Yearbook is fun, but requires many hours of hard work outside of school," explained staff member **Dominica Garcia.** With only one staff member returning from last year, the Voyager staff had many new things to learn before even thinking about what this year's book would be like. It was also **Mrs. Suzanne Higgins** first year as the yearbook moderator. To prepare herself for this big project **Mrs. Higgins** attended a yearbook workshop held at the University of Santa Cruz for a week over the summer.

Many changes took place with in the yearbook class besides having a new staff and advisor. We also changed companies and have once again decided to have a spring book instead of having to come back in September to pick up your yearbook.

Senior **Viveca Valeriano** described the class this way, "Yearbook is a good class with much tedious work involved." **(Lisa)**







(1) **Kathy Farnan** reads over her copy for mistakes. (2) **Mrs. Higgins** helps **Joan Blancher** and **Darla Barlow** with their yearbook layout. Foreign Connections

Moreau is not just a site for lectures, books and exams. The student activities program includes a variety of organizations. Among them are the French Club and the Polynesian Club. Each club has its own unique style of preserving culture and having fun. Christmas carols sung in French echoed down the halls of Parkmont Convalescent Hospital in Fremont one day in December. It was the French Club. Along with the Polynesian Club, they brought a little sunshine into the hearts of the elderly by alternately singing in French and then in English. Later in December, an appreciation of the European culture led the French Club to San Francisco's De Young Museum to view the Vatican collection. Greetings of Aloha (welcome) and leis welcomed the guests at the Polynesian Club's Fifth Annual Luau. Brightly colored decorations and Hawaiian ballads playing in the background set a festive mood for the evening. The cuisine and entertainment were a combination of Polynesian-Filipino culture. Advanced planning and hard work made the evening a night to remember. Some of the proceeds from the luau were donated to the Community Resources for Independent Living. One club member summed up the event by commenting, "I did a lot of worrying and moved a lot of tables. On top of that, we ran out of food, and I think all in all it was great!" As you can see, each club has their own specific natures, and both are fundamental towards the introduction of new cultures into students' lives. (Viveca)

Spanish And German Clubs

Both of these clubs spent time exploring different cultures. The German Club attended cultural events, including exhibits, restaurants, and various events in Berkeley. Led by moderator **Frau Harper** and President **Erin Stuart,** Vice-President **Deborah Bosso,** and Secretary-Treasurer **Hee Sook Yoo,** they explored various aspects of German Culture in American society The Spanish Club is comprised of students who have taken interest in the Spanish language and culture. Club activities included visiting Mexican and Spanish restaurants and Spanish entertainment. Chess Club

The Chess Club meets on Wednesday of every week. Chess takes a lot of patience. If you don't have patience, you are always going to lose. It is also very challenging. The length of a chess match varies in time. **Mr. Breiger** is the moderator, the co-moderator is **Mr. Breeves. Mr. Breiger** says about the club, "I think it's great!"

The Computer Club, also known as the Apple Masters are doing great this year. They have over 30 games, which are played every Friday. According to **Allen Steinberger,** "The club is fun, but the school should get more disk drives to compensate for the number of computers." The club also teaches the students graphics and programming.

Horsepower!!

ROC (Regional Occupational Center) offered a wide variety of classes this year for people who wanted an early start in planning their future. Classes such as computer programming, auto mechanics, upholstery, cosmetology, and many others.

Moreau students who took ROC attended 3 classes at Moreau and the rest of their time at the Regional Occupational Center in Hayward.

The ROC program offers classes beyond textbooks. It offers the opportunity to develop skills and experience working with tools and equipment often used in everyday working situations.

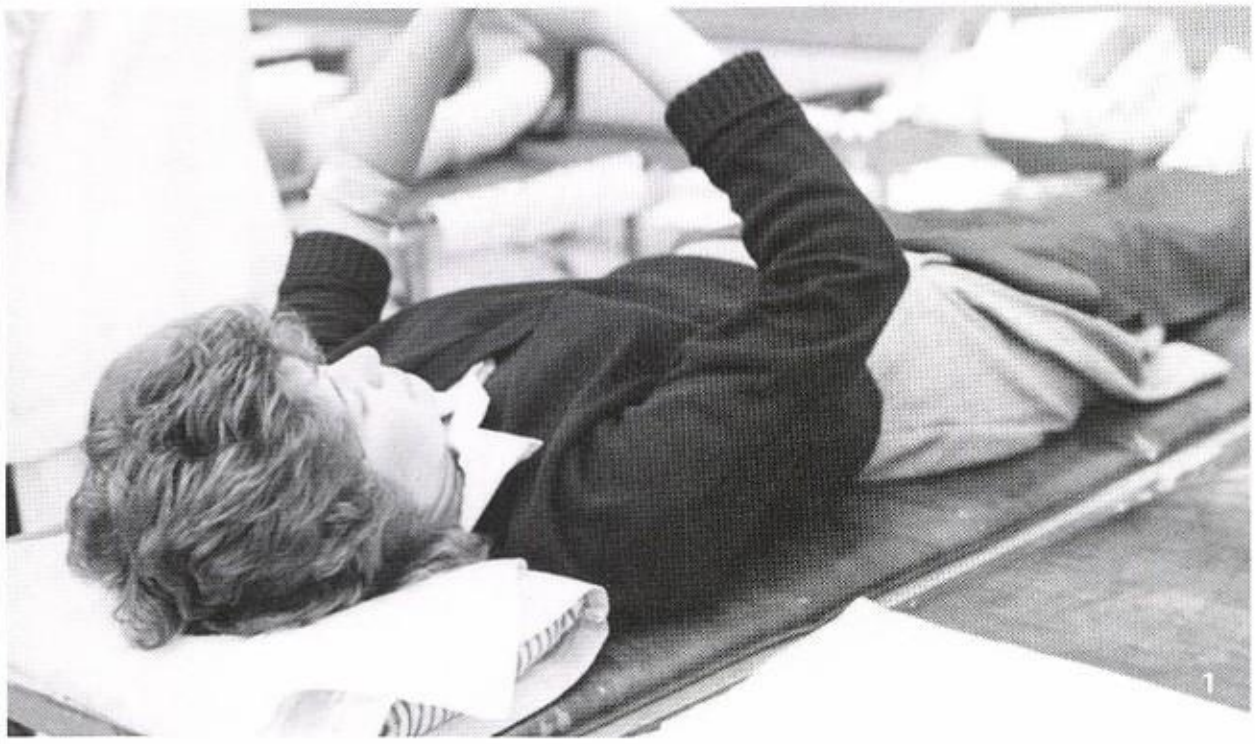
Blood Drive



Moreau's first blood drive of the 1983-1984 school year occured on Tuesday, October 4. A total of 159 students, parents, and faculty members each donated a unit of blood, which is to be used throughout the community. At the end of the school year, any unused units will be given to Operation Relay, which donates blood to needy convalescent homes and children's hospitals.

A second blood drive was held on Tuesday, March 6.

Skiing Mariners

Altogether the 1983-84 Moreau Ski Club trips were very memorable. The first trip was to Sierra Ski Ranch. With blizzard conditions the skiing was not at all enjoyable but the bus ride back to Moreau made up for it.

The second trip to Squaw Valley was made during a sunny and clear day with the unexpected occurance of wind at the summit. It was a perfect day for beginners to learn and for advanced skiers to fall down. The next trip was to Kirkwood which proved to be a perfect day. The snow was a bit soft but did not keep anyone from returning with a full face sunburn.

There were ski trips planned for April with the hope of fantastic warm spring skiing. No matter what the skiing conditions were, the Moreau Ski Club made the most of it and was not likely to have a bad trip.

Talent Show 84

As the curious and unexpecting audience sat waiting before the closed curtain, the tension behind the curtain grew higher and higher. Dancers were practicing their numbers, the bands were setting up their infinite amount of equipment, and the Flying Diluccio's were limbering up to perform their amazing feats of skill and courage.

At last, it began. The show's host and hostess **Mike Rice,** and **Mary Macpherson,** appeared on the stage to introduce the first act, Moreau's own White Lighting This opening band led the way for the excitement that was to follow. Acts like "Running with the Night" with **Shelly** and **Mia Digiulio,** the Flying Dilluccios, and "P.Y.T." with **Laura Caeton** provided a fun filled night for all.

Catch The Feeling

Promoting overall school spirit is the main function of the Block M Club and the Pep Club. Each does it in their own special way. Comprised of varsity letter achievers, Block M works to instill school spirit in athletics. Being athletes themselves, they realize the importance of the fans' support in competing in a game. Raising funds for the various sports and inspiring teammates can make all the difference in continuing the success of school sports. An added attraction to decorate Moreau's walls is the "Sports Spotlight" board put together by the Peppers. Plans for this sports' Hall of Fame were begun by last year's club. Sports coaches approved of the idea because of the need for Moreau's fine athletes to be recognized by the student body. After a dozen coats of green paint and hard work put in by this year's Peppers, star athletes of 1983-84 were ready to be honored for the year. Their names in the Spotlight were just examples of what perseverance, practice and sportsmanship can do. Not only do both organizations spread spirit to the Moreau community but also to others outside of Moreau. During the Christmas season, the clubs banded together and paid a visit to St. Rose's Convalescent Hospital in Hayward. Lead by moderator, Mr. Don Morneau, the clubs sang carols and brought gifts for the elderly, exemplifying the true spirit of Christmas by making someone's day a little brighter.

Spirit squads work as hard as any team in the school. Unlike athletic teams, they have no coaches to help drive them on. Their function is to promote school spirit, and they certainly accomplish that, indeed.

The Varsity Cheergirls do not just cheer on the teams during games, they spend after school hours painting colorful supportive posters as well as practicing their routines. The girls represented Moreau at various competitions. For the second year in a row the Cheergirls placed a stunning first. By winning at Omega, Moreau was chosen as Regional Champions for Northern California. Because of their tight schedules, the squads were unable to represent the area in Orlando, Florida. The girls did journey to Los Angeles for the Miss Drill Team International Competition, and placed eighth.

"Go Moreau! Beat . . ."

A lot of talent combined with awesome spirit. That pretty much sums up the perception of the 1983-84 Freshman and JV cheerleaders. "Both squads worked really hard and were very supportive of the Varsity squad," commented Varsity songgirl **Monica Granados.** Many of the cheerleaders feel that cheerleading is fun, but a lot of hard work. It is a full time commitment, bringing out a great sense of dedication. Their future looks to be quite incredible.

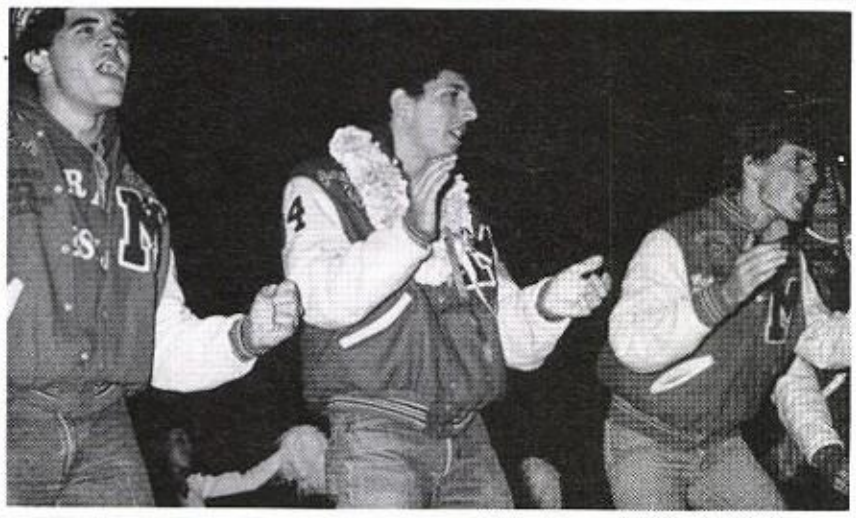
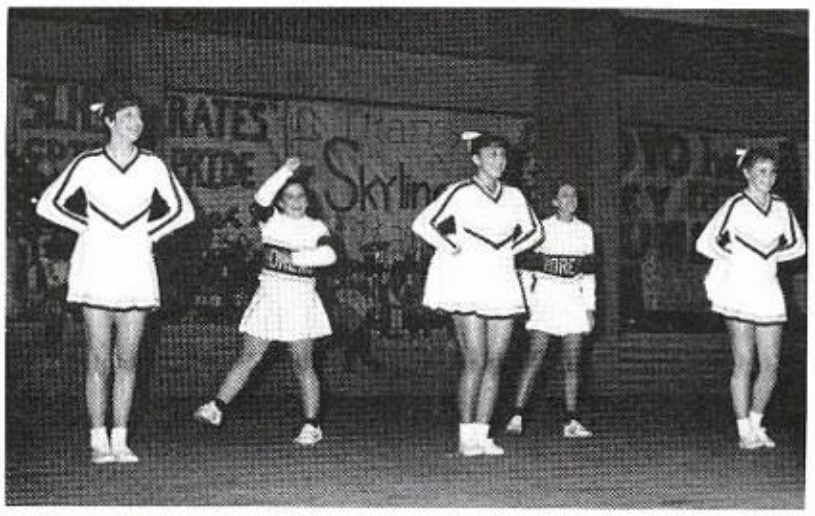
2. "We Feel good- Oh we feel so good- Ughhh!!" **Mike McDonald, Ron Proto** and **Gordon Furlong,** lead the crowd in their favorite cheer at Omega.
3. The squad gets ready to show the crowd what M.H.S. is made out of.





Smiling faces, a jazzy beat, and well choreographed dance steps characterize Moreau's Songirls. They dance their way into the hearts of the judges in the competitions they entered, as well as those of the student body.

A combination of good luck and days of practice added to the success of the girls at the Omega Rally. They received 3rd place, and also with a combined score with the cheerleaders, were given the "Sweepstakes" award. This meant that because of their school spirit, songirl score, and cheerleading score they had the highest overall total. At the Miss Drill Team International Competition, held in Los Angeles, there were girls from as far away as South Africa, Japan, and Australia. They performed flawlessly and missed first place by only 3 points.

According to **Gina Allen,** "support from the athletes, teachers, parents, and friends gave us the extra spirit to perform well." The key to a shining season was definitely the avid support.

4. **Peggy Lynch** and **Monica Granados** announce Moreau High School with pride.

(4) The Senior cherrleaders do their routine ending in a pyramid.

Three weeks of practice with bumps and bruises paid off for the senior "Clash II". The game ended with a score of 20-12. The Silver and Black Junior Attack played a good game but it wasn't good enough to beat the seniors.

Touchdowns for the seniors were made by **Laura Milano, Sandy Sanchez,** and **Jana Heinlein.** Touchdowns for the juniors were made by **Shanon Galloway** and **Mary MacPherson.** Both teams played well.

Entertainment at half-time was provided by the cheerleaders with on-field water fights. The junior guys in their black shirts and seniors in red provided laughter to the spectators.

The juniors, coached by **Mr. Crosthwaite,** and the Seniors coached by **Mr. Serrao,** will not have the chance to battle again but the juniors will be back to take on another class in another game of Flag Football. **(Darla)**

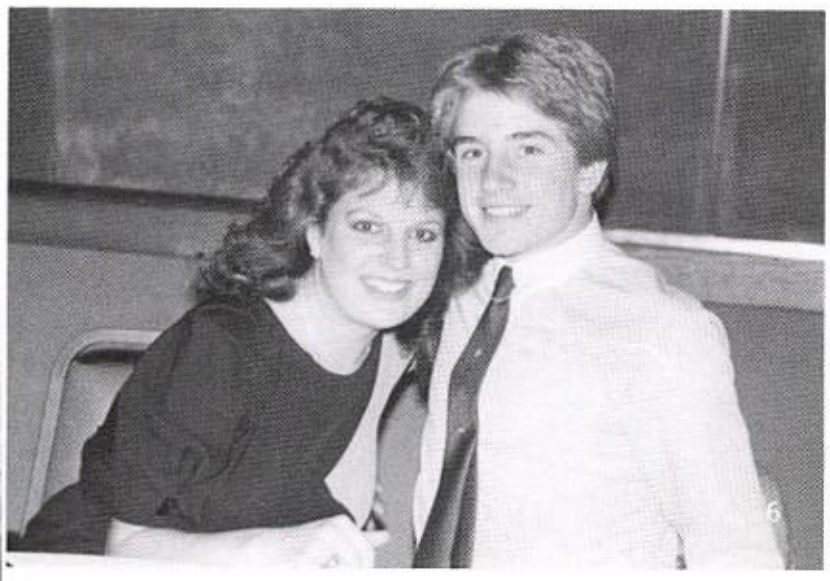
A December To Remember

The Christmas season is characterized by cold weather, crowded shopping malls, light-hearted feelings, and gatherings with family and friends. The Moreau community waited in anticipation for the beginning of Christmas vacation. On the last day, an all school mass reminded the student body what Christmas was really all about.

To celebrate the holiday season, many Moreau students attended the Christmas Ball at the Oakland Hyatt Hotel. Students, from Freshmen to Seniors, danced to music provided by a D.J. from "the Quake."

Christmas trees decked with candy canes and mistletoe hung in doorways set the mood for a fun-filled evening. Romantic music and friends enjoying each others company were evidence that it was going to be "A December to Remember."



(1) **Peter Bluemle** and **Dana Hyde** go out on the dance floor to show their stuff. (2) **Jim Santiago** and **Mja Shandera** dance to the sound of the Quake at the Christmas Ball. Barefoot In The Park

"Barefoot in the Park" was the theme of this year's Father-Daughter Dance. With music provided by "The Sound of Music", girls and their dads could dance to anything, including polkas, country/western, and songs by Michael Jackson.

"It was a good chance for girls and their dads to have a good time together," commented Junior **Darla Barlow.**

Fun In The Sun!

Surf's up in Santa Cruz and so was the spirit of the Class of 1984's Senior Favorites. Despite the forecast for rain, the untimely breakdown of **Chris Noia's** car, and the morning traffic, no one could complain that a break from school for a day wasn't just what everyone needed. The city of Santa Cruz developed around the mission for which it is named. Prior to receiving its charter, Santa Cruz served as an important port on Monterey Bay, from which lumber cut from the neighboring redwood forests was shipped. Now, Santa Cruz is renowned as a popular beach resort. It houses one of the few seaside amusement parks left in the world. Redwoods are preserved on the University of California, Santa Cruz, one of the youngest campuses of the U.C. system. The various sites of the city provided backdrops which matched the qualities for which the Senior Favorites were chosen. U.C. Santa Cruz's Porter College was chosen for one of the photo sessions because of the modern art decorating its courtyard. West Cliff Drive provided a scenic look at the Pacific Ocean. The sight of the rolling waves and surfers (especially for the girls) had the students literally hanging out the windows. The Cocoanut Grove during its heyday was where popular jazz artists of the 40s performed. Downtown Santa Cruz was the last stop before heading for home. Lunch and a quick stroll through the shops ended the day. The Senior Favorites represented only a handful of the various personalities of the class. They were picked because of their qualities which the class admired. They are just like everyone else when it comes to being fun-lovin' and sun-lovin'! **(Viveca)**

Anyway

People are unreasonable, illogical and self-centered. Love them anyway.
If you do good, people will accuse you of ulterior motives. Do good anyway.
If you are successful you win false friends and true enemies. Succeed anyway.
The good you do today will be forgotten tomorrow. Do good anyway.
Honesty and frankness make you vulnerable. Be honest and frank anyway.
People favor underdogs but follow only top dogs. Fight for some underdogs anyway.
What you spend years building may be destroyed overnight. Build anyway.
People really need help but may attack you if you help them. Help people anyway.
Give the world the best you have and you'll get kicked in the teeth.
Give the world the best you have anyway.

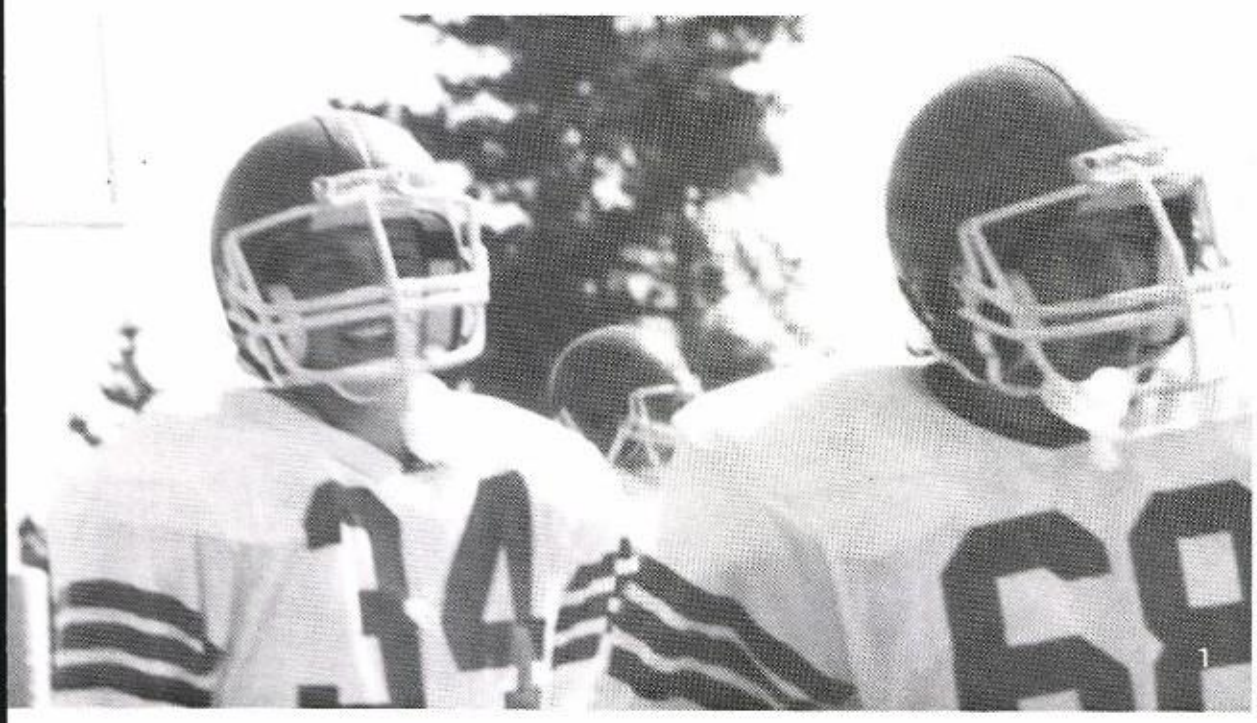
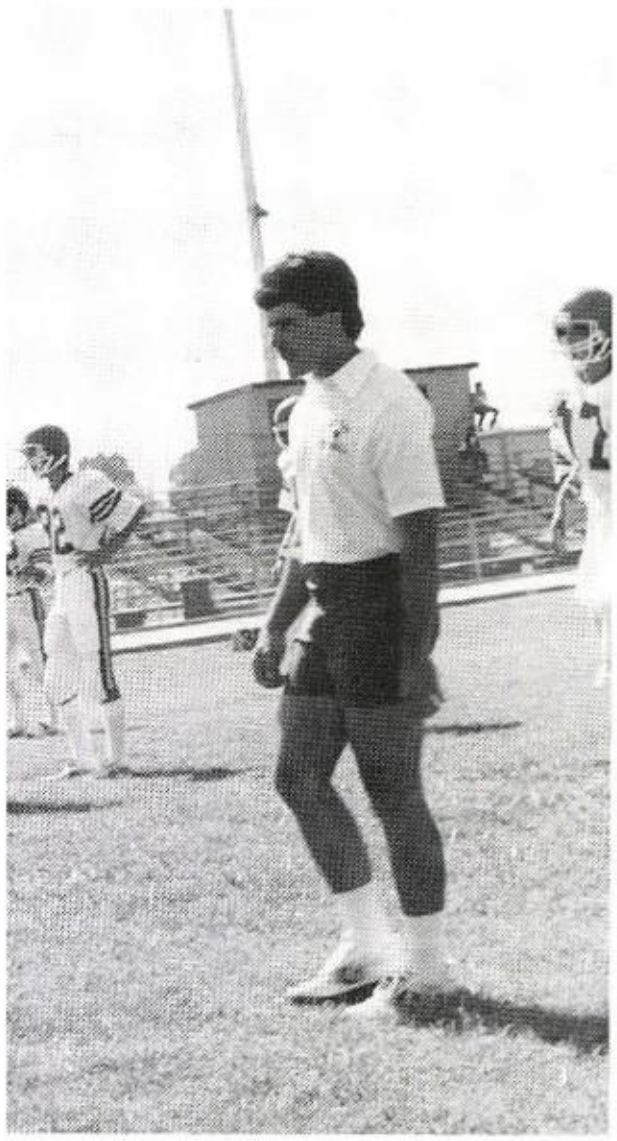
Future Moreau Champs

"Our productive football season was based on wins, morals, and attitude", according to **Coach Sheets.** The J.V. Football team ended the season with five wins and five losses, and a three to two league record. The team is looking forward to an even better year when they contribute to the Moreau Varsity program in the fall of next year.

Among those honored with special awards were, **Steve Hempler,** who received the award for most valuable player. **John Grubbs** was voted the most improved player, and there was a tie between **Mike Wenzler** and **Jim Antonini** for most valuable lineman.

Players like these represent only a handful of the team. Teamwork is really what makes a game successful. **"Coach Walsh's** program is really taking root, '84 and '85 will be Moreau years in CAL!" exclaimed **Coach Sheets.**





1. **John Looney** and **Jim Antonini** display different opinions about the game.

Boys And Girls Cross Country

The 1983 Cross Country season was one of the most successful in the history of Moreau. The boys varsity team finished second in the Catholic Athletic League, first in the C.A.L. meet, fourth in the North Coast Sectionals and third in the Meet of Champions. The girls varsity team finished fourth in the C.A.L. and tenth in the N.C.S. The boys junior varsity, soph-frosh and the girls junior varsity all finished second in the C.A.L.

All C.A.L. performers for boys varsity were sophomore **Scott Machado** who placed first, junior **Bob Canalas** who finished second, senior **Mark Puppo** who placed fifth and sophomore **Eric Ackermann** who finished ninth. All C.A.L. for girls varsity were **Amber Hatter** and sophomore **Krista Rendon.**

Hits And Misses

High spirits and vigorous playing placed the young Mariner Volleyball team third in the Girls' Catholic Athletic League. The expertise of the returning players contributed to the team's winning season. Although the team suffered a loss at the GCAL playoffs, they knew that they had played a great season. The Varsity team was made up of two returning seniors, **Elise Russo** and **Gretchen Wyman,** four juniors, and three sophomores. **Elise** was named the Daily Review's Prep of the Week. She was voted to the CAL All League Team. **Gretchen** was TV Facts' Athlete of the Month. She received Honorable Mention for the CAL team and made CAL High's All Tourney team. Both players were nominated Most Valuable Player by their fellow teammates.

The Mariner Volleyball team, led by **Coach Janet Chrisman,** represents a fine example of dedication, friendship, and most of all, teamwork. The team symbolizes what Moreau Athletics are really all about. **(Dominica)**

Undefeated!

"They're so awesome, it's disgusting.

"They were incredible."

Those are a few much deserved words said about the J.V. Volleyball team. Once again coached by **Ms. Annemarie Cota.** "They were great. It was a total surprise." She is refering to the team's incredible season of 14 wins and no losses. Our champs rolled over teams from Carondolet and Notre Dame. The outlook for next year's varsity team is great as many of the players are expected to be on the team. Perhaps we will be looking forward to another season undefeated.

Champions

"Because of the great way the team got along our season was very, very successful," said junior **Stephanie Mendoza.**

Part of the success that **Stephanie** is talking about is the girls' undefeated league record and their 30-2 overall record.

The varsity team set a goal at the beginning of the season and that was to reach the North Coast Section Play-offs. But they did better than that — the team won the NCS. An even more impressive statistic is that the Varsity Girls also became the first team in Moreau's history to win an NCS title.

Though the team had a great year, and worked well together they did suffer one bitter disappointment. Senior **Jill Pickard** was plagued by a knee injury and was unable to play, but nonetheless Jill attended all the games and was extremely supportive of her friends. She was very much a part of the team.

Besides having an awesome league record the girls also had an undefeated tournament record. The Mariners participated in the Irvington Tournament, the Granada and Foothill Tournaments during Christmas vacation, and then the ever impressive CAL finals. Last, but definitely not least the team also went on to win the North Coast Section.

Elaine Clancy summed up the season this way, "We had a really great year, and I think that our coach, Paul Phelps, is the Coach of the Year."

Hooping It Up

The sport of basketball is much more than shooting a ball into the basket. This sport requires hours of practice and teamwork. Most of all, the sport has to be enjoyed and loved by the player. The **J.V. Girls' Basketball** team has definitely shown their love of the sport with an excellent season marked by 18 wins and only 3 losses. Comprised of 5 sophomores and 8 freshman, the Mariner girls contributed their basketball expertise throughout the season. **Niko Cagaanan's** personality was honored by being voted as Most Inspirational. **Vicki Herrera's** hard work and practice was recognized as Most Improved player. Christina Roberts and Carolyn Ward's exhibition of their fine talents were voted as Most Valuable players. One team member summed up the basketball experience by commenting, "By belonging on the team, I got to know the others who enjoy basketball as much as I do and worked with them. This will always be an important part of my life."

Effort And Sportsmanship!

The 1983-84 season has not been the best for the Boys' Varsity Basketball Team, but it did end-up with some positive aspects. Although the team worked hard, they finished with more losses than wins. In terms of effort and sportsmanship, the Mariners came out ahead. Says **Coach Acord,** "Although we were not very successful as far as wins and losses go, we were successful in sticking together and continuing to work hard throughout the season."

Among team stand-outs were **John McCarthy,** who made All-League Honorable Mention, and **Larry Kevin,** who was voted Most Valuable Player by his teammates. (Glenn)

J.V. Basketball

It was a tough season for the J.V. basketball team as they came into league play with a record of 10-2. They expected to be contenders for the league championship, but unfortunately they suffered the loss of a few key players to injuries and sickness.

The Mariners did, however, chalk up a number of wins in order to claim first place of the Fremont Christian Basketball Tournament. As a reward for outstanding play **Bob Zumwalt** was named the MVP of the tournament and **Glenn Baxley** and **Greg Heffron** were both named to the all-tournament team. The J.V.'s also won the concellation game of the Livermore Tournament.

One of the highlights of the season was the victory over De La Salle in the last league game.

Being named the Most Valuable Player was **Bob Zumwalt.** The most inspirational player was **Tim Young,** and voted the most improved player was **Eric "Skeeter" Hartman.**

Boys Basketball

Entering high school is a scary and exciting experience. Many of the freshman boys were apprehensive about just joining high school basketball. However, for many of the freshman boys who made-up Frosh basketball, it was a time to get to know others. At first, the team members played as individuals rather than for the team as a whole. Eventually, they learned that their own talents combined with working together contributed to success at many games. **Coach Jeff Fingerut** was a very understanding person and brought out only the best in the team. The season came to a close with an awards banquet night. The team was happy because they had placed second in the C.A.L. The team members were all awarded with Most Valuable Player. This reflected that team work is the key to success in basketball.

Goal

As the level of talent and competition in girl's soccer throughout the East Bay has improved, Moreau's team has kept up with the pace. Behind four year Varsity team members **Georgette Kristof, Jana Heinlein,** and **Patti Atayde,** as well as excellent playing from senior **Verna Rodriguez, Rosie Sampson,** and sophomore goalkeeper **Jennifer Watson,** the Mariners kept the soccer spirit at Moreau alive.

The first girl's soccer high school tournament in the East Bay was held at Moreau, which allowed the team to display their individual and team talents during two shootout wins against California High and Carondelet High in route to winning the first place trophy. **Peggy Spence** and **Mary Beth Scott** were named to the All-Tournament list which set the pace for their team's leading scores during the rest of Moreau's season.

Overall, the Mariners finished 17-2-1, losing to Carondelet 1-0 in the last match of the season which prevented them from advancing to the North Coast Sections.

Boys' Soccer

The Varsity team was predicted to be number one in the Catholic Athletic League, but were disappointed in a heartbreaker when they tied in regulation time but fell 2-1 in penalty kicks against De La Salle.

The season was mainly transitional for the team, getting used to new coach **Clark Bales.** Behind one of the best scorers in the Catholic Athletic League, senior **Kevin Talan,** and the tough defense of **Gordon Furlong, Joe Jacques, Jan Grywczynski,** and **Craig Woody,** the team finished with a record of 16-4-2.

The Junior Varsity team, led by **Coach Joel McCrea,** was successful in winning their league. Their Most Valuable Player was **Robbie Ham,** Most Improved was **John Hawkes,** and **Kevin Ford** was named Most Inspirational Player.

Mariners Birdie To Victory

Expectations for the 84 golf season were tantalizing. A blend of seasoned veterans, 2 seniors, 3 juniors, 3 sophomore returnees and 5 fresh eager newcomers reported for opening workouts. Senior **Dave Jupina** was selected as captain for the 84 season. The Mariners were hoping to improve on their 16 and 4 1983 season. That included a 10 and 4 C.A.L. record and a 2nd place finish behind powerful S.T. Pats. Joining captain **Dave Jupina** were senior **Ryan Lima,** juniors **Steve Sellards,** who was 83 C.A.L. champ and he also qualified for N.C.S., and also juniors **Dave Baptist, Rich Graw,** sophomores **Bill Aliski, Dave Kim, Dave Marshall,** and newcomers **Paul Delucchi, Tim Downs, Bobby Smith, Phil Saylor,** and **Louie Kestheley.**

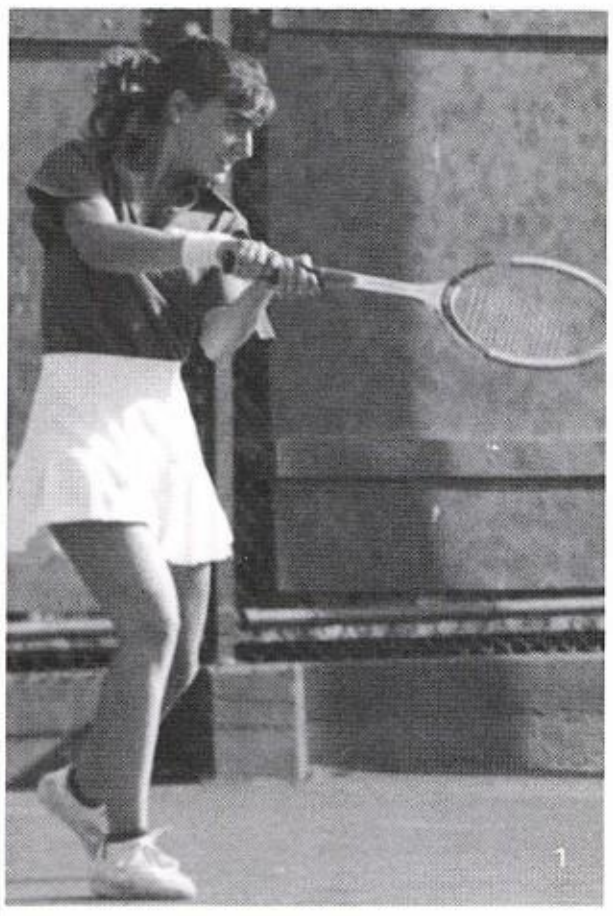
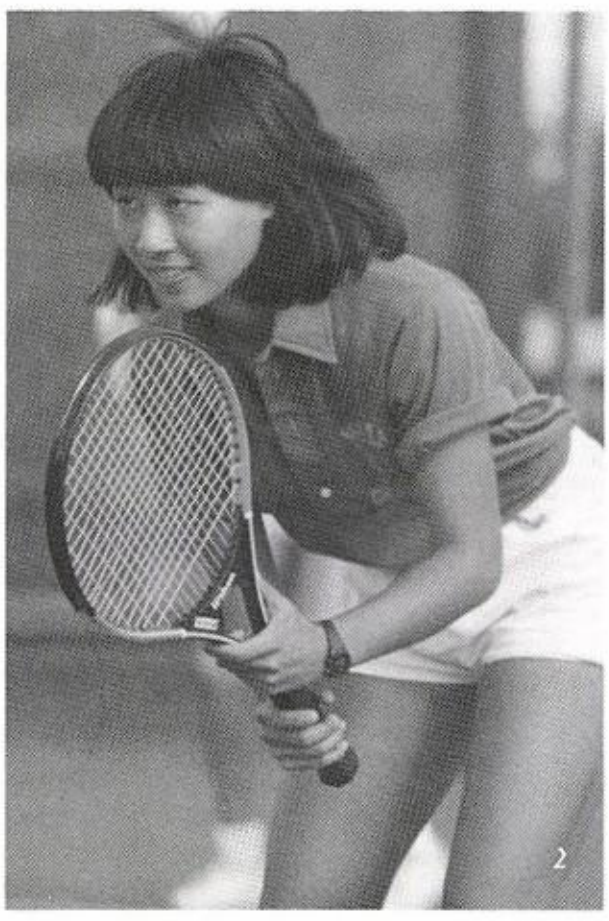
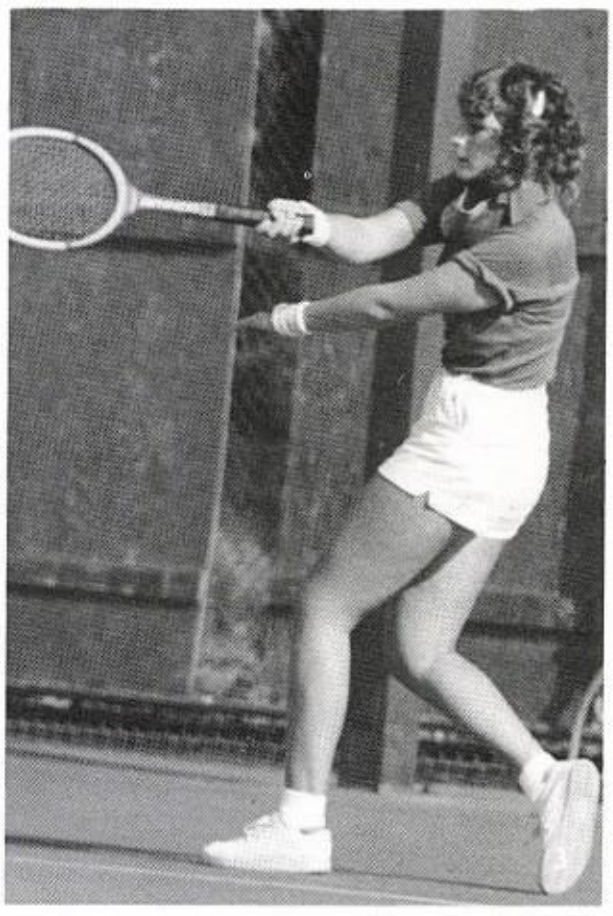
All's Fair In Love And Aces

Tennis anyone? The Mariner Girls' Tennis Team challenged many schools in the CAL with that question They played a fantastic season, too. The season was highly competitive and strenuous but basically full of fun. Working hard at the sport and enjoying it was a combination that catapulted the girls from a last place finish a year ago to stunning second this year. According to **Enny Halkyer,** "A part of our motivation to get on the tennis courts and practice, was the opportunity to check out the Chabot soccer players and baseball players." The practice evidently paid off.

A banquet and awards night wrapped up the season. **Marina Sun** garnered the Coach's Award as well as **Most Inspirational** and Co-Most Valuable Player. The Most Valuable Player award was shared by **Annette Vait. Kathy Smith** was chosen as Varsity Most Improved Player. **Pam Molina** was chosen as Junior Varsity Most Improved Player. The team members will remember their year in tennis not only because of the success and even the agonly of defeat but also the family-like feeling of being part of the team.







Rejoining the year's athletic curriculum was Boys' Tennis. Making a swashbuckling debut, the team was determined to be recognized by the community. The revival of boys' tennis was made possible through dedicated and interested parents and eager tennis athletes. One fund raiser was a car wash held by the team members. The hard work involved to get the team going allowed them to have better facilities. During the season, the athletes could be found practicing at the Fremont Tennis Center two hours everyday after school when not playing in matches. The results of the games played by the team reflect their dedication to the sport. While working with the players, **Coach Nancy Geenan** also worked on her tan. The coach recommends, "It's a great way to work on your suntan!" The team's success is due not only to practice but also to the individuals who make up the team. According to doubles' player **David Tien,** "There's not just one or two good players but a lot of deeply talented players on our team." Although many of the members did not know each other at first, they did have one common interest — the love of tennis. This in itself was enough to go against all odds and bring boys' tennis back to Moreau.

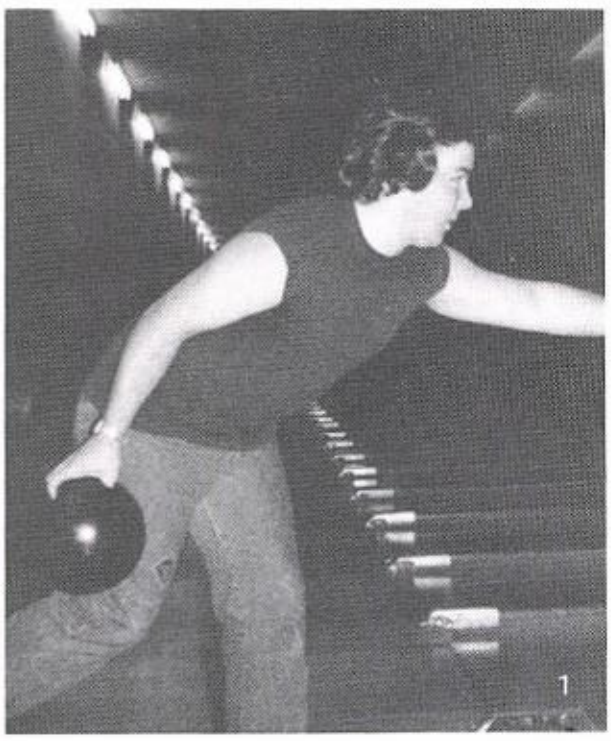
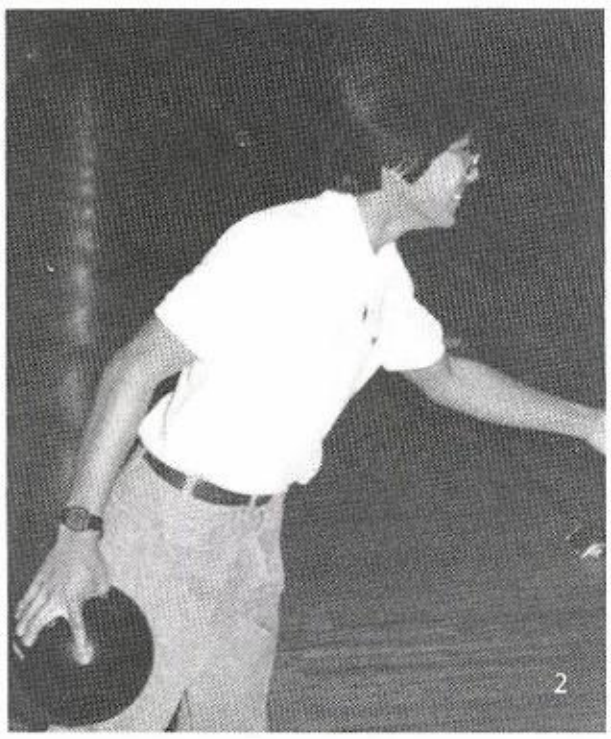
6. Tom Lombard looks intimidated by **Ed Rose's** bowling.

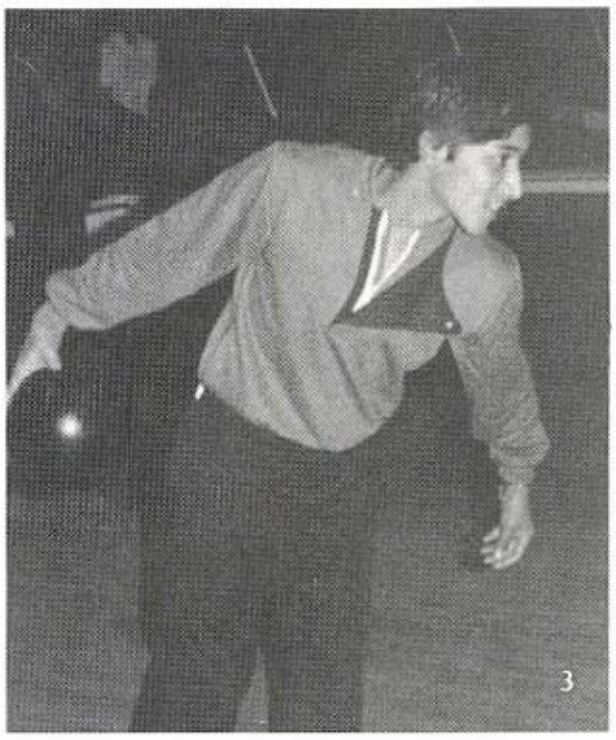
Bowling Club

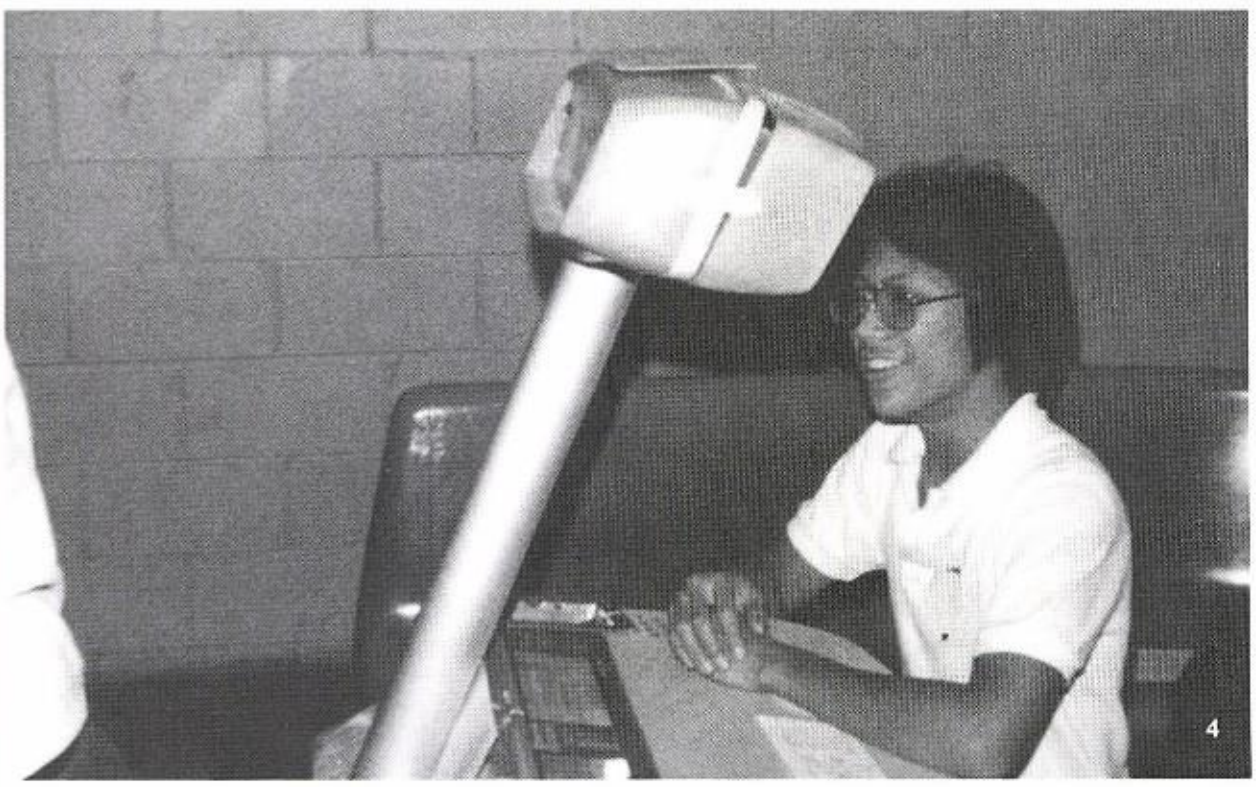
Headed by **Mr. Showers,** this year's bowling club ventured out to Holiday Bowl in Hayward every Thursday for two hours of bowling and recreation. The bowling club went beyond a mere two hours of throwing a ball down a lane. They had a chance to meet and compete with new people.

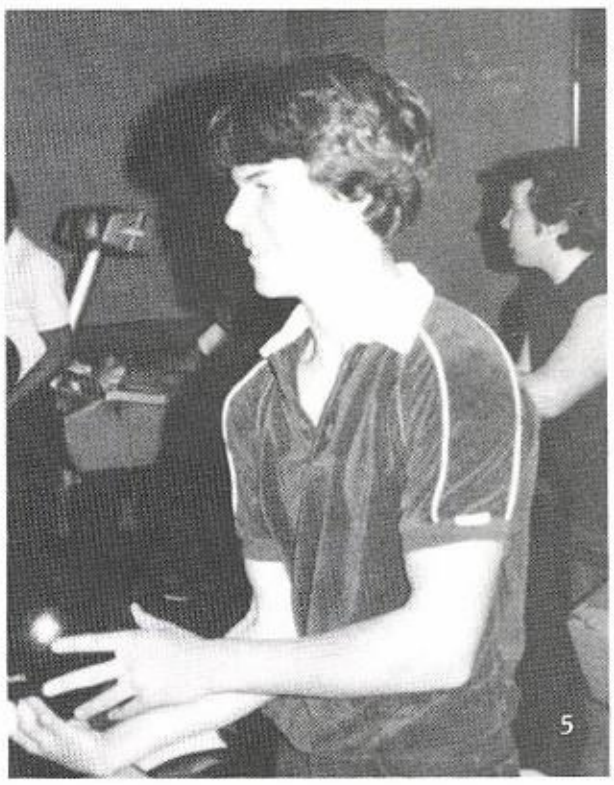
The bowling club was an outlet for students to break away from the daily routine of school. As **Tom Lombard** put it, "it gave us a chance to have a good time and not worry about what went on in school that day." A good time was shared by everyone.











1. The bowling world is shocked by **Doug Osanna's** style. 2. **Gilbert Criste** shows off his form. 3. **Robert Menoz** shows the bowlers what it should look like. 4. **Gilbert Menoz** laughs because he knows he can't be beat. 5. **Chris Schusske** concentrates on his mark.

5. Trying for a reversal is **Don Finkes.**

(Dominica)

Shaving the hair off their heads began as a joke for some of the wrestlers at Moreau. In one sense this act symbolized their unity. The shorn hair, however, was not the only thing that brought them to the attention of the community. Moreau's wrestling team was successful again this year. The team was made up of some excellent wrestlers. Most Valuable Player **Mike Martinez** was the first in Moreau's history to go to the State Tournament and placed 12. Most Valuable J.V. player was **Jaime Gonzales.** Most Valuable Freshman was **Anthony Rojo.** Most Improved was **Joe Baalman.** Most Improved J.V. Player was **Bobby Rios. Don Finkes** was nominated as Most Inspirational. **Dan O'Connor** was nominated as Most Inspirational J.V. player.

"The Mariners' success in all tournaments for the fifth year in a row is attributed to the consistently good program and the back up support," according to **Coach Rich Dutra.**

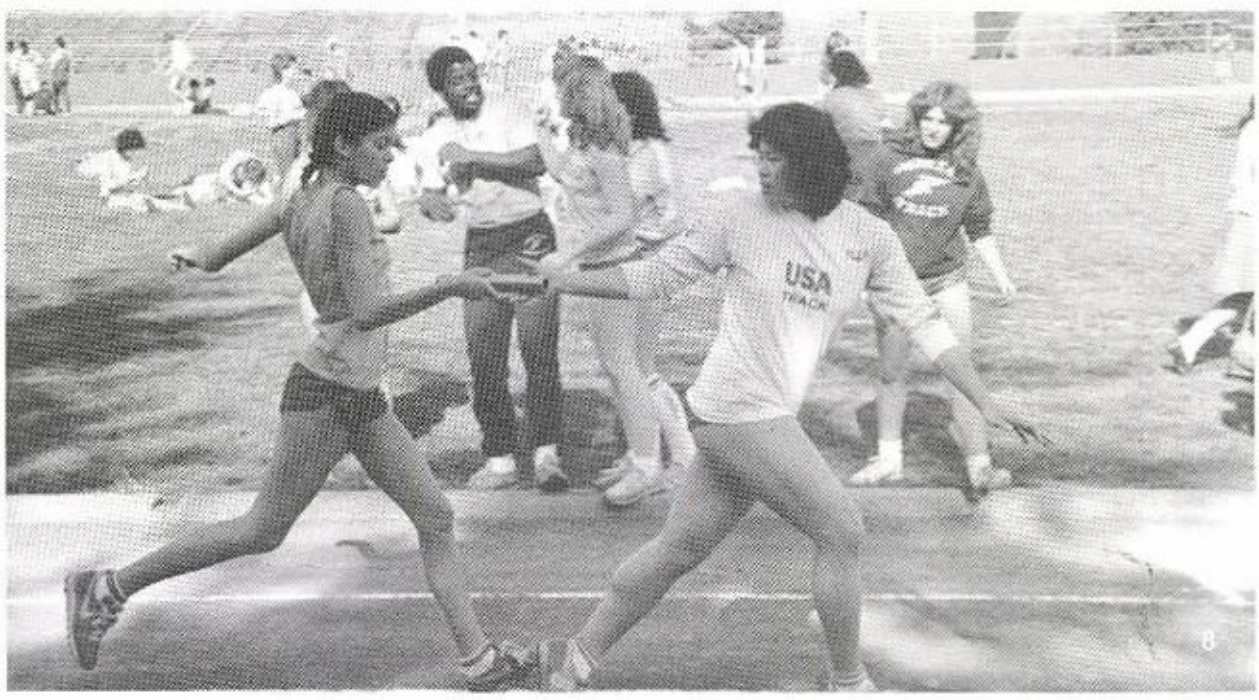
Girls' Track

The Girls' Track Team has been close to winning the League Championship for three years now. Nineteen eighty-four seems to be the year that the team hoped to achieve that goal. As Coach **Chris Krisman** claimed, "The team is young, but has leaders in several events to provide the strength and direction for the rest of the team."

Seniors **Michelle Szto** and **Sue Mullan** returned for their fourth year in the hurdles and mile relay and both hoped to make it all the way to State Meet. Juniors **Camille Anderson** and **Aileen Chanco** returned in the sprints. A talented Sophomore group was led by **Joanne Cordova** in the jumps and 400, and **Krista Rendon** in the 1600-3200. But perhaps, the strength of the team lay in the throws with Senior **Donna Kaylor,** Sophomores **Jennifer Watson, Brenda Loggins** and **Erica Hess,** and Freshman **Annie Loggins.**

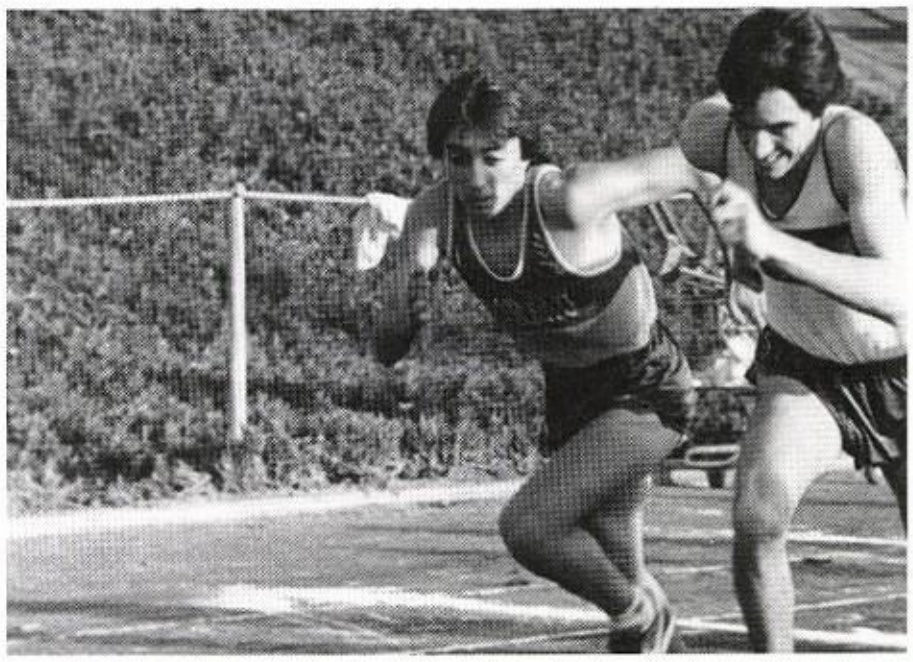
The team anticipated a fine season't performance by hopefully leading the South County in several events and by sending several athletes to the Meet of Champions.

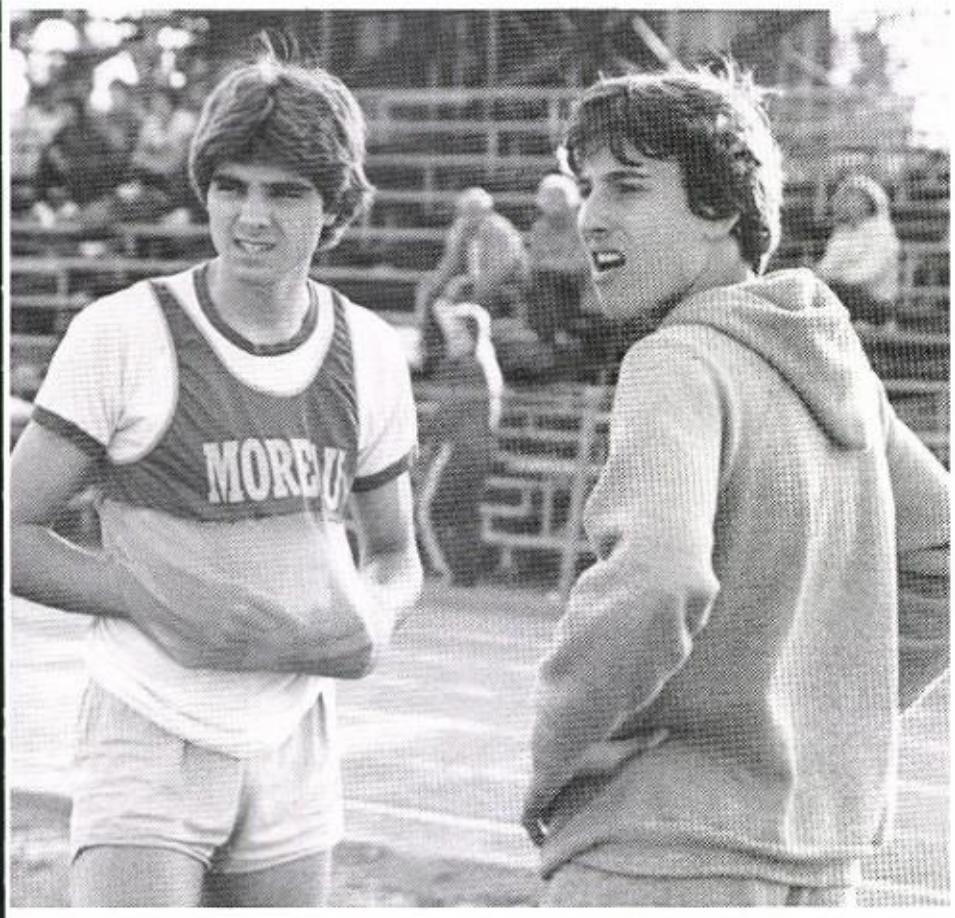


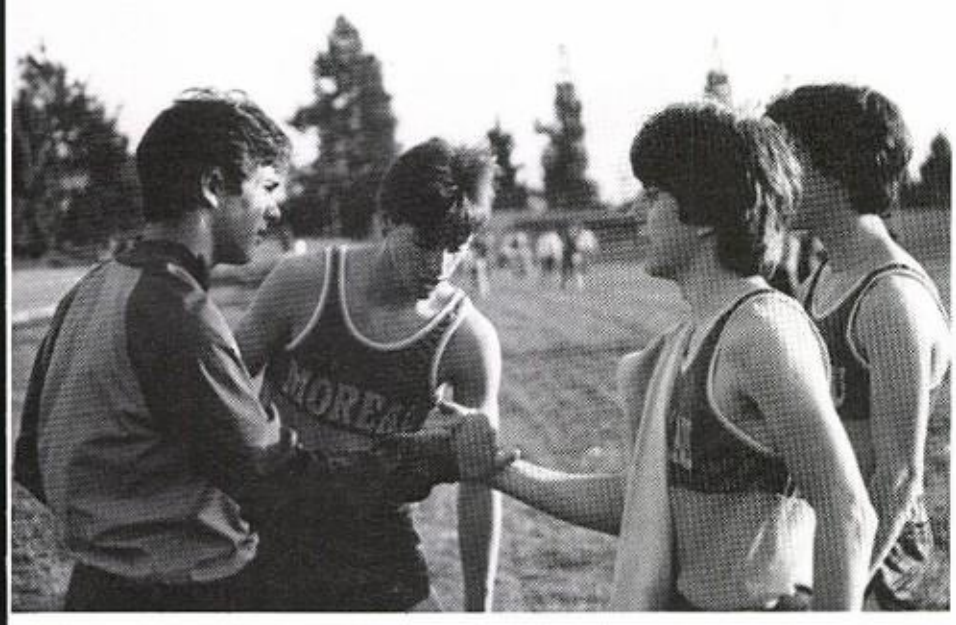
The 1984 Girls' Track Team (front row): **Petrina Angelides, Aileen Chanco, Ann Montemayer, Mary Anne Guesnon, Beth Guesnon, Rachel Piper, Andy Botsford** (second row): **Sheila Arce, Heather Harmuth, Paula Bernardo, Darlene Fernandez, Rita Avisa, Annie Loggins, Donna Kaylor, Karen Guesnon, Dixie Harrison,** Coach **Krisman** (third row): **Cami Hart, Michele Szto, Lori Hollingworth, Joanne Cordova, Brenda Loggins, Jane Sweeney, Cindy Elam, Desi Medeiros.** (fourth row): **Saundra Kerster** (Assistant Coach,) **Kathleen Allesandra, Liz Sollitt, Christine Villaluz, Kathy Vega, Krista Rendon, Erica Hess, Kelly Homas, Lisa Deitrich, Erica Shu, Jennifer Watson, Cathy Desa, Molly Woelffer, Camille Anderson, Carole McNeil** (Manager)

Running Strong

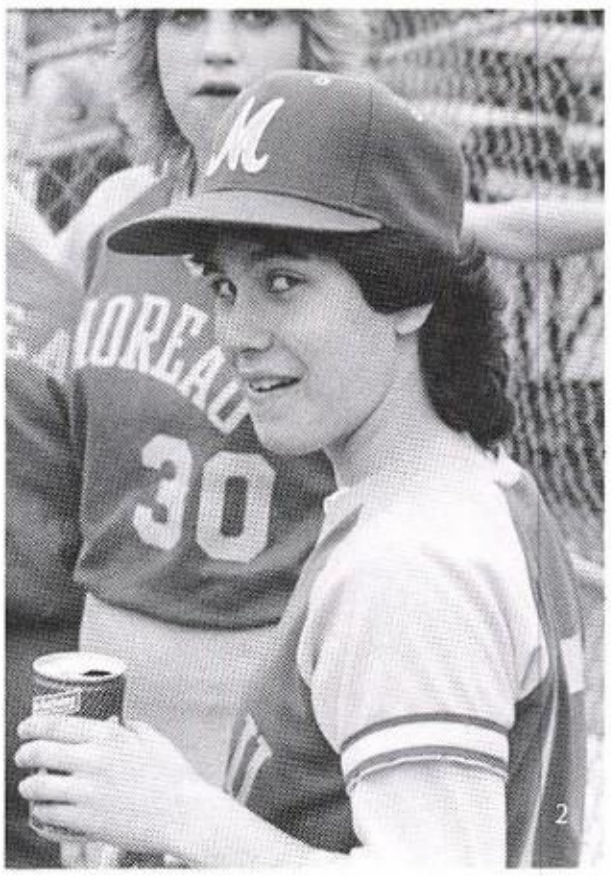
This year's team was one of the largest in years. The team promises to be one of the best teams in the South County and the N.C.S. 2.A. There are many outstanding individuals on this year's varsity team. Some of these top performers are: **Mark Puppo, Bob Canales, Scott Machado,** (distance) **Mike Salido, Jeff Chimienti, Dan Osanna,** and **Chad Nightingale,** (sprinters) **Antonio Delgado,** (pole vault) **Dan Squires, Howard Hess,** and **Dan O'Connor,** (weights) and **Larry Kevin, Chad Nightingale,** and **Bill Lavine** (jump). The soph-frosh team looked very strong. The young talented team promises to be a strong varsity team in the future.

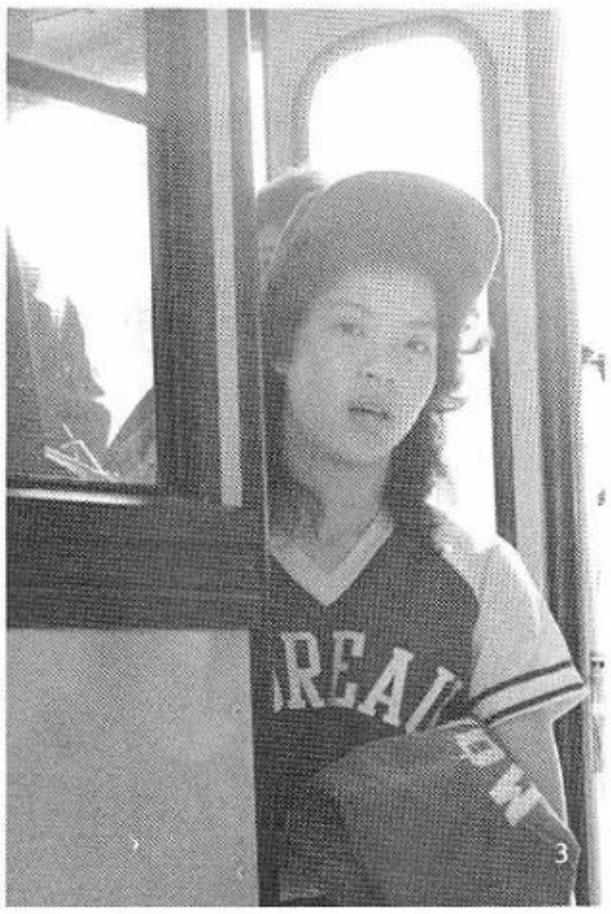




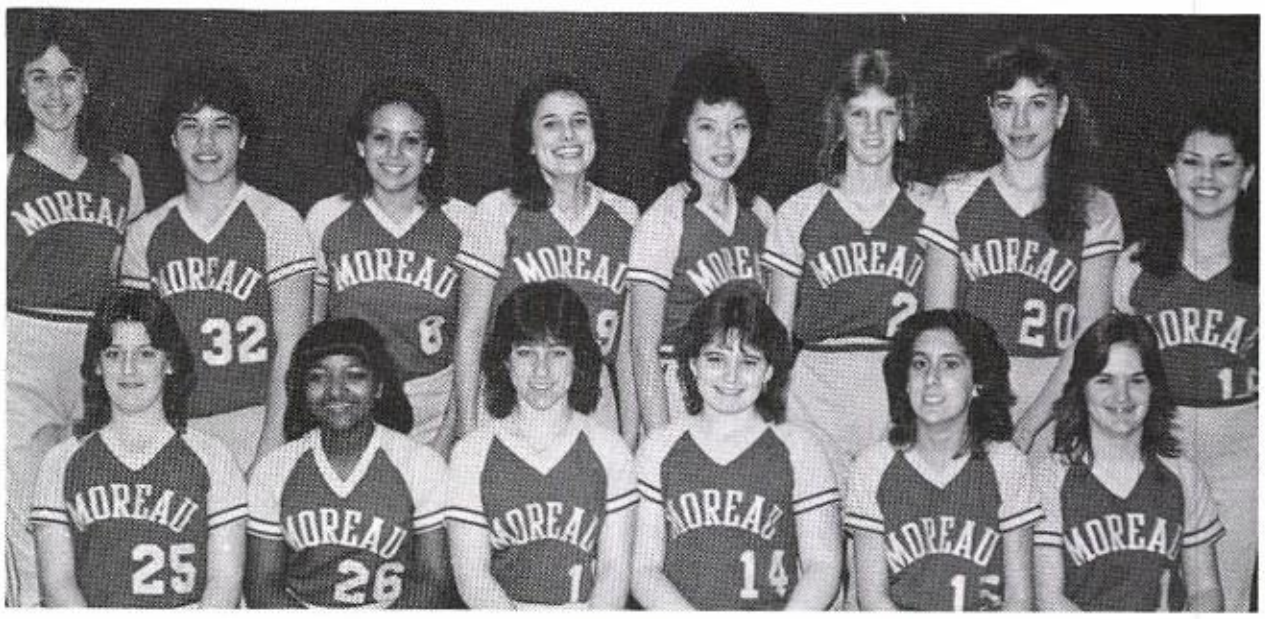


1. **Brennan Harmuth** jumps out of the blocks for the first leg of the 400 meter relay.
2) Ricky Deanda pushes for the finish line.
3) Scott Machado talks with **Bill Lavine** about his last long jump attempt.
4) **Mike Souza** strides to victory for the JV relay team.
5) **Jeff Chimienti, Mike Rossi,** and **Brennan Harmuth** congratulate themselves on a fine race.





(1) **Karen Freitas** gets ready to release the ball. (2) Yes, **Shannon** it really is caffeine free. (3) **Michelle Tom** makes her way off the bus to the next game. (4) **Kathy Leonesio** cannot believe the call. (5) A vital part of the team is its manager, **Cathy Cordeniz.** (6) The most dedicated Mariner fan, **Grandpa Freitas,** attends every game. (7) Varsity coach, **Mrs. Sue Galloway,** takes her eyes off the team just for a second. (8) Ace pitcher, **Karen Freitas,** takes a breather. (9) **Michelle Schwenger** awaits the next ball.



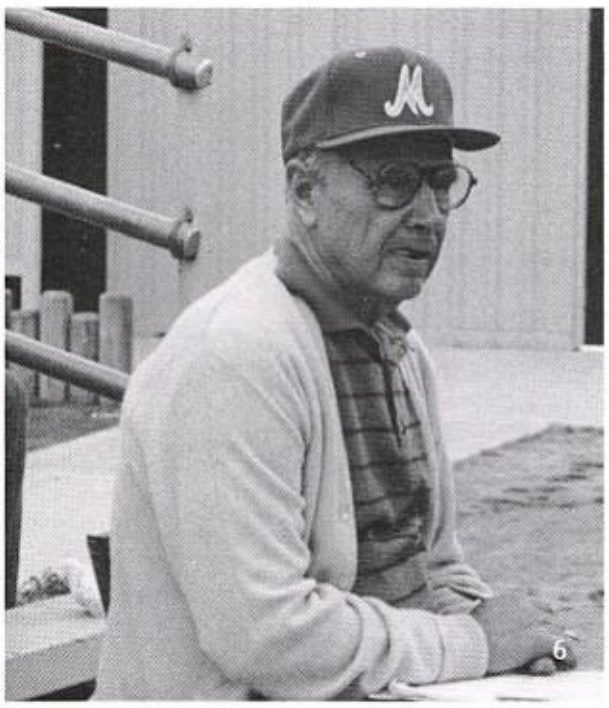
The 1984 J.V. Softball Team

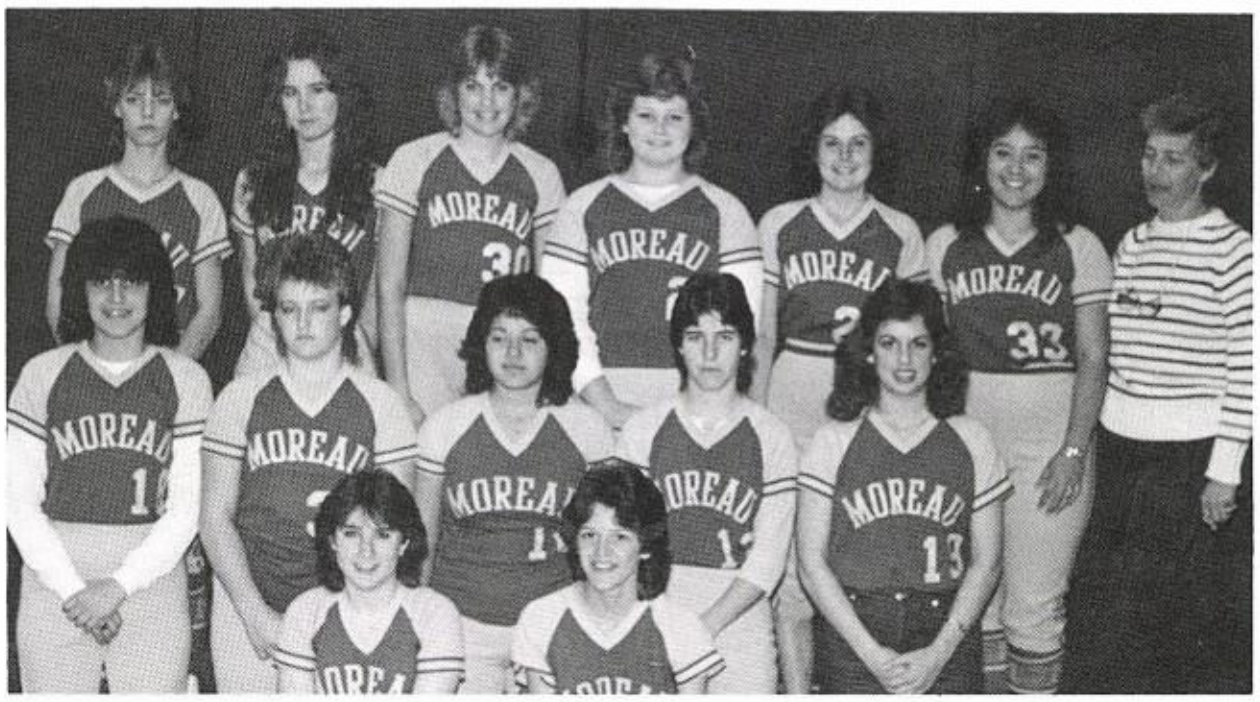
Softball

The 1983-84 season for Moreau's Varsity Softball team got off to a successful start.

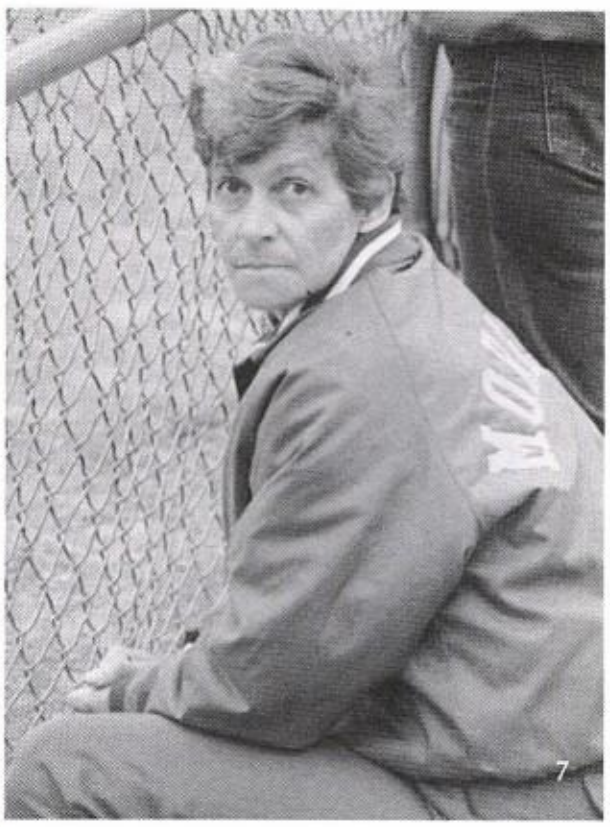
The team lost a heartbreaker extra inning league game to St. Vincent's, who was their greatest competition. With only a few games played, the team's expectations were high. The Mariners planned to qualify for the NCS playoffs. They were the second best team in the area based upon their pre-season record.

There were seven returning players with three freshmen on Varsity. There was an all Seniors outfield: **Kim Pesicka,** a four year player; **Kathy Leonesio,** who also catches; **Kelly Bosset;** and **"Utility Sam" Hinson.** Though the Seniors will be leaving, the remaining players will be solid and ready for next year.





The 1984 Varsity Softball Team. Front Row: **Michelle Schwenger** and **Kelly Bosset.** Row 2 (L-R): **Stephanie Mendoza, Dagney Haman, Puanani Santiago, Shannon Galloway** and **Cathy Cordeniz.** Row 3 (L-R): **Kathy Leonsio, Maureen Kayton, Shannon O'Neil, Karen Freitas, Kim Pesicka** and **Samantha Hinson.**



Bowen Ball!

In the beginning, there was Billy Ball . . . Next came Barry Ball . . . now, watch out! Here come **Bowen Ball!**

After the departure of former Coach **Barry Weiss,** the Mariners were under the direction of Coach **Jim Bowen.** With the dynamic coaching of **Jim Bowen,** the 1984 Varsity Baseball Team showed great promise for the 1984 season. Coach Jim Bowen hoped to develop the team to their fullest potential. There was an abundance of talent and good sportsmanship displayed by the team, which proved to be a great asset. **Coach Bowen** exclaims, "All of the members deserve applause. They had great heart and gave more than anyone could have expected them to give." This year's goal was to take the team into the top two spots in the C.A.L.

The coaching staff for the 1984 season included **Mr. Richard Dutra, Mr. Robert Kossick,** and **Mr. Jim Bowen.** (Glenn)

J. V. Baseball

With spring comes sunny weather, April love, green trees, flowers, and . . . the All-American sport of baseball. Comprised of very energetic players, the 1983-1984 J.V. Boys' Baseball team had an overall good team attitude. According to J.V. coach, **Jerry Sheets,** "The key to success at the games was team contribution, as compared to just individuals." Each of the team members contributed their individual talents. Their hard work led to a good season.

Swimming Mariners

The 1984 Mariner Swim Team, in their second year under coach Rich Serrao, was looking forward to a great season of C.A.L. competition. Swimming well for the Mariners this year were **Joe Baalman, Patti Goldhammer, Mike Dearborn, Kathy Radecke,** and **Mike Klein.** There were about 40 swimmers on both Varsity and Junior Varsity teams, Moreau's highest total ever.

Varsity Swimmers in the above team picture are: From left to right the front row: **Kathy Radecke, Patti Goldhammer, Mary McKeon, Noelle Abela, Nicole Ormsby, Maureen Grgurina, Bridgit Lydon, Lisa Ashley,**

"Every move you make" . . . "Every step you take" . . .

The yearbook staff has been watching the Moreau community since September and hopes that they have captured within the covers of this book, all of the special moments that have taken place throughout this school year.

For the class of 1984 this ends their trek through Moreau. We have been "Watching You", class of '84, grow from timid, skeptical, scared freshmen (who overcame the traditional senior sales pitch for elevator passes, pool passes, and lightbulbs for your lockers) to confident and classy seniors.

"Watching You" as freshmen we remember the fun of the Freshmen Family Barbeque and the excitement of getting better acquainted with your classmates at the Freshmen Box Social.

"Watching You" become sophomores we remember the fun of the Soph Hop, the honor of not coming in last in the Sprit Week competition, and the privilege of finally becoming upperclassmen.

"Watching You" rise to the occassion of being upperclassmen was interesting as you were shocked by the requirement of serving 40 hours to your community. Then there was the awesome Jr. Clash powder puff team. You were the first juniors in Moreau's history to ever claim a victory over the senior team. Junior Hospital was the theme for Spirit Week. Of course, we couldn't forget the romantic night of the Jr. Prom held at the Rheem Theatre in Moraga. Setting the mood for that special night was the theme of "We've Got Tonight".

"Watching You" rule the school as seniors there are many wonderful things to recall. Senior Superfriends set the tone for a big win during Spirit Week. We couldn't forget the Powder Puff game when Clash II struck again. Finally, there was the excitement of the Sr. Ball, the anticipation of the Baccalaureate Mass. and Graduation, and the thrill of attending Grad Nite.

Though the class of '84's years at Moreau are ending there will always be a friend "Watching You."
